# Preface

The primary goal of the current educational system is to mould a productive citizen and caring family member who is equipped with knowledge and skills. The main responsibility of the school is to identify and recognize children's talents, as well as to sharpen their skills to meet the needs of the nation and the world.

Our Alma Mater is constantly guiding and assisting children who are creative. This project has been an ongoing process at our school for many years, particularly in terms of writing books. Many skilled and enthusiastic young writers participated in this exercise for years producing novice writers to field of literature. We regard this as a great victory and a national need at this hour.

To continue this effort, we adopted digital technologies and an e-book project this year. I am confident that this unique event provided youngsters with valuable experience and challenges that will benefit them in the future. The Minister of Education has hailed the project as an important step toward motivating young authors in schools. As principal of Mahamaya Girls' College, I am gratefully to all of the students throughout the country who contributed to this endeavor. I commend and applaud all of the young authors of these-books for their perseverance and devotion in this difficult task. I would like to thank our school management committee, employees, parents, for me students, administrator, and teachers from other schools who encouraged students to take part in this worthwhile effort.

I'd also like thank Mr. Senevirathne Mahalekam for his tremendous support and assistance in initiating this project.

Mrs. Shashikala Senadheera

Principal

Mahamaya girls' College - Kandy

# Chapter one

## The first day

“Hey, Hinori, come on, we have to go.” Father said.

Ahhh, Today is my first day of school (I am not in grade 1, I am going to go to a new school.) My previous school is Osaka international school. My father got a job transfer to Tokyo. So, my parents entered me into Tokyo girls' high school.

“Oh, Ok, I'm ready.”

I went to school with my father. First, we went to the principal's office.

“Good morning, madam!”

“Good morning, sit down.”

“Sir, this is my daughter “Hinori Tanaka”.”

“Oh, nice to meet you, Hinori. Mmm.. Hinori, Hinori, Hino... Ah, name is there. Ok, your index no. is 24887. Your class is Mmm... ah 9G. Ok?”

“Ok, Thank you, madam!”

“Ok, Hinori's Father. Now, you can go.”

Principal madam took a phone call to the class teacher of 9G, Mrs.Deguchi.

“Hello, Can I speak to Mrs.Deguchi? Oh, madam, your class has a new comer. OH, huh? Mmm.. Ok, madam, come and carry her”

She came and carry me to the class. It was a special class. It was not a Japanese medium class. It was an English medium class.

“Ok, girls, this is a new comer to our class. Hinori Tanaka”

“Ohayo Gozaimasu, Hinori!”

“Ohayo!”

I sat near a fair girl with short curly hair.

“Hi, Hinori. I'm Shobi. Nice to meet you!”

“Hi, Shobi! Nice to meet you too!”

Me and Shobi became best friends quickly. Shobi had another friend called, Loris. She also became my best friend. Now, my best friends are Loris & Shobi.

After a while, A girl with short braided hair came to the class by carrying the register. She was wearing spectacles. As I could see, she looks so smart. I thought that she is the class monitor.

“Shobi, who is that?”

“Who?”

“The girl who carrying the register?”

“Ah, she is Shiyo Nitzune Tomura. She is the class monitor of our class. Most of the students in our class like her. In every term, she is the class monitor, Because of her nice appearance, good qualities and abilities. Not only that, she is very clever. In the last term exam, she was the 1<sup>st</sup> place of the class.”

“Oh, is it? I like her.”

“Huh!!! I know it.”

“Hmm... Ah? Mmm.. Not that kind of like. I wish I could be her best friend. Because, I like that kind of friend.”

“Oh! Really! But it will be very hard. Because, she likes for girls like her. Like, the girls who are interesting in studies, do not try to be highlight. And, she doesn’t like it at all, the students who pretend to like her too much.”

“Oh! Is it?”

On that time, Shiyo came and sat on the empty chair in front of my desk. She saw me. She talked to me.

“Hi, I am Shiyo Nitzune. The monitor of the class. Welcome to 9G. Nice to meet you!”

She gave me a hand. I also gave her a hand.

“Nice to meet you, Shiyo!”

She smiled nicely. I also smiled.

I think, the new school is better than the previous one. I met lot of friends, Shobi, Loris, Shiyo, Diheri (vise monitor), Diyori, Daiji, Rioko.

I was thinking about Shiyo. How perfect is she? She is very kind, clever, loyal & helpful. Today, she was delivered a speech for English Literature competition about ‘unity among individuals in the society’. It was marvelous. All students like her. But she does not like them much, as I could see. Because, I could remember what Shobi said. That’s right. So, I could understand that she is very humble. I also liked that kind of honest friend. That’s why I said “I wish I could become her best friend.”

\*\*\*\*\*

## Chapter 02

# How I spend the time at school

I was really happy about this school. Every day I came to the class earlier. Sometimes Shiyo is also here when I am coming. Sometimes she is getting help from me to complete the record book.

Shobi is coming after few students came. But, Sometimes After Loris came, the bell of starting the school is ringing. Huh! It is so weird.

“Hey, Riona, did you solve the Pythagoras’s relation?”

“Miyo, did you do the activity 7 in the English pupils’ book?”

“Hey, Shiyo, please give me your science book, I have to complete the note.”

These phrases are very common to hear in every morning.

“Hey, Hinori, can you help me to solve this equation?”

Oh, that was Shobi. She is always asking the solutions for the mathematics sums that she can’t solve. I helped her to solve that equation.

“Hey, you are very interesting at mathematics.”

“Not as much as Shiyo.”

“Ah, I don’t know.”

There are 8 periods for a day. Some days 1 or 2 periods are free. But some days, all the 8 periods are teaching. Aww... the days like that are very boring. The madams of science, mathematics, English are always coming.

At free periods, I am playing some games with Shobi & Loris like tic tac toe, scissor-paper-rock etc. But, Shiyo and some other students are always doing a game with pens. They are calling it ‘Hitting pens.’ Aww... So weird.

\*\*\*\*\*

Hitting

Pens

## Chapter 03

# Helpful Shiyo

It was a Tuesday.

Shobi and Loris were absent. I felt so boring. I was thinking about the things that I can do now. I got an idea. I drew a picture of me and Shiyo get together!!

After I drew it, I was looking at that drawing.

On that time, Miyo, one of our students saw my drawing. She snatched it from me.

“Hey, Miyo, Give it to me again.”

“I want to watch it.”

“Don’t joke. Miyo, please Give it to me.”

“I said, I want to watch it. Hmmm..... Aaaaa!!!! Is this you and Shiyo? Is she your best friend? She never like a boring girl like you. Huh! Guys, look. She is thinking, her best friend is Shiyo.”

All the students surrounded me.

“I know that she doesn’t like me. It’s just a drawing. Don’t tell this to Shiyo” I said while crying.

“Oh! Guys, she is crying. Oh, so cute.”

“Oh! Crybaby.” All the students laughed me.

“Guys, let us have a fun.” Miyo said. Now all the students are hitting me by pens, pencils, and erasers.

“Aaa... Please, Stop. I am sorry.”

“Why should we stop? Girls, continue.”

Miyo took a paper cutter and cut my hand.

“Aww... Please, stop.”

I cannot bear this now. Please, Shiyo come. If, Shobi was there, she will help me.

“I can’t bear now. Please, stop.”

“STOP!!!!” Someone shouted. That was Shiyo.

“What is happening there??”

All the students left from here.

“Oh! Hinori, what happened to you? Hey, what did you do for her?”

“She has drawn you with her. It’s so ugly.” Miyo complained. Shiyo looked at me and came to me.

“I am sorry, Shiyo” I said through the tears.

Shiyo saw that my hand is cut.

“Oh, your hand is cut.”

“Ah...” I shocked

“Miyo, Give me the first aid box.”

“But...”

“I said, Give me the first aid box.” Shiyo said angrily. Miyo gave it to Shiyo. Her treated to my wound.

“She has drawn you ugly. Now, you are treating her.”

“MIYO!!! Don’t you know the difference between beautiful and ugly? And, what did you do for Hinori? She is also one of our friends. I am ashamed to call you, my friend. What are you staying here? Go!”

All the students went to their places. Shiyo sat near me.

“I am sorry Shiyo.”

“Why are you saying sorry? I like that drawing. It is so nice. If you like, can I keep it with me?”

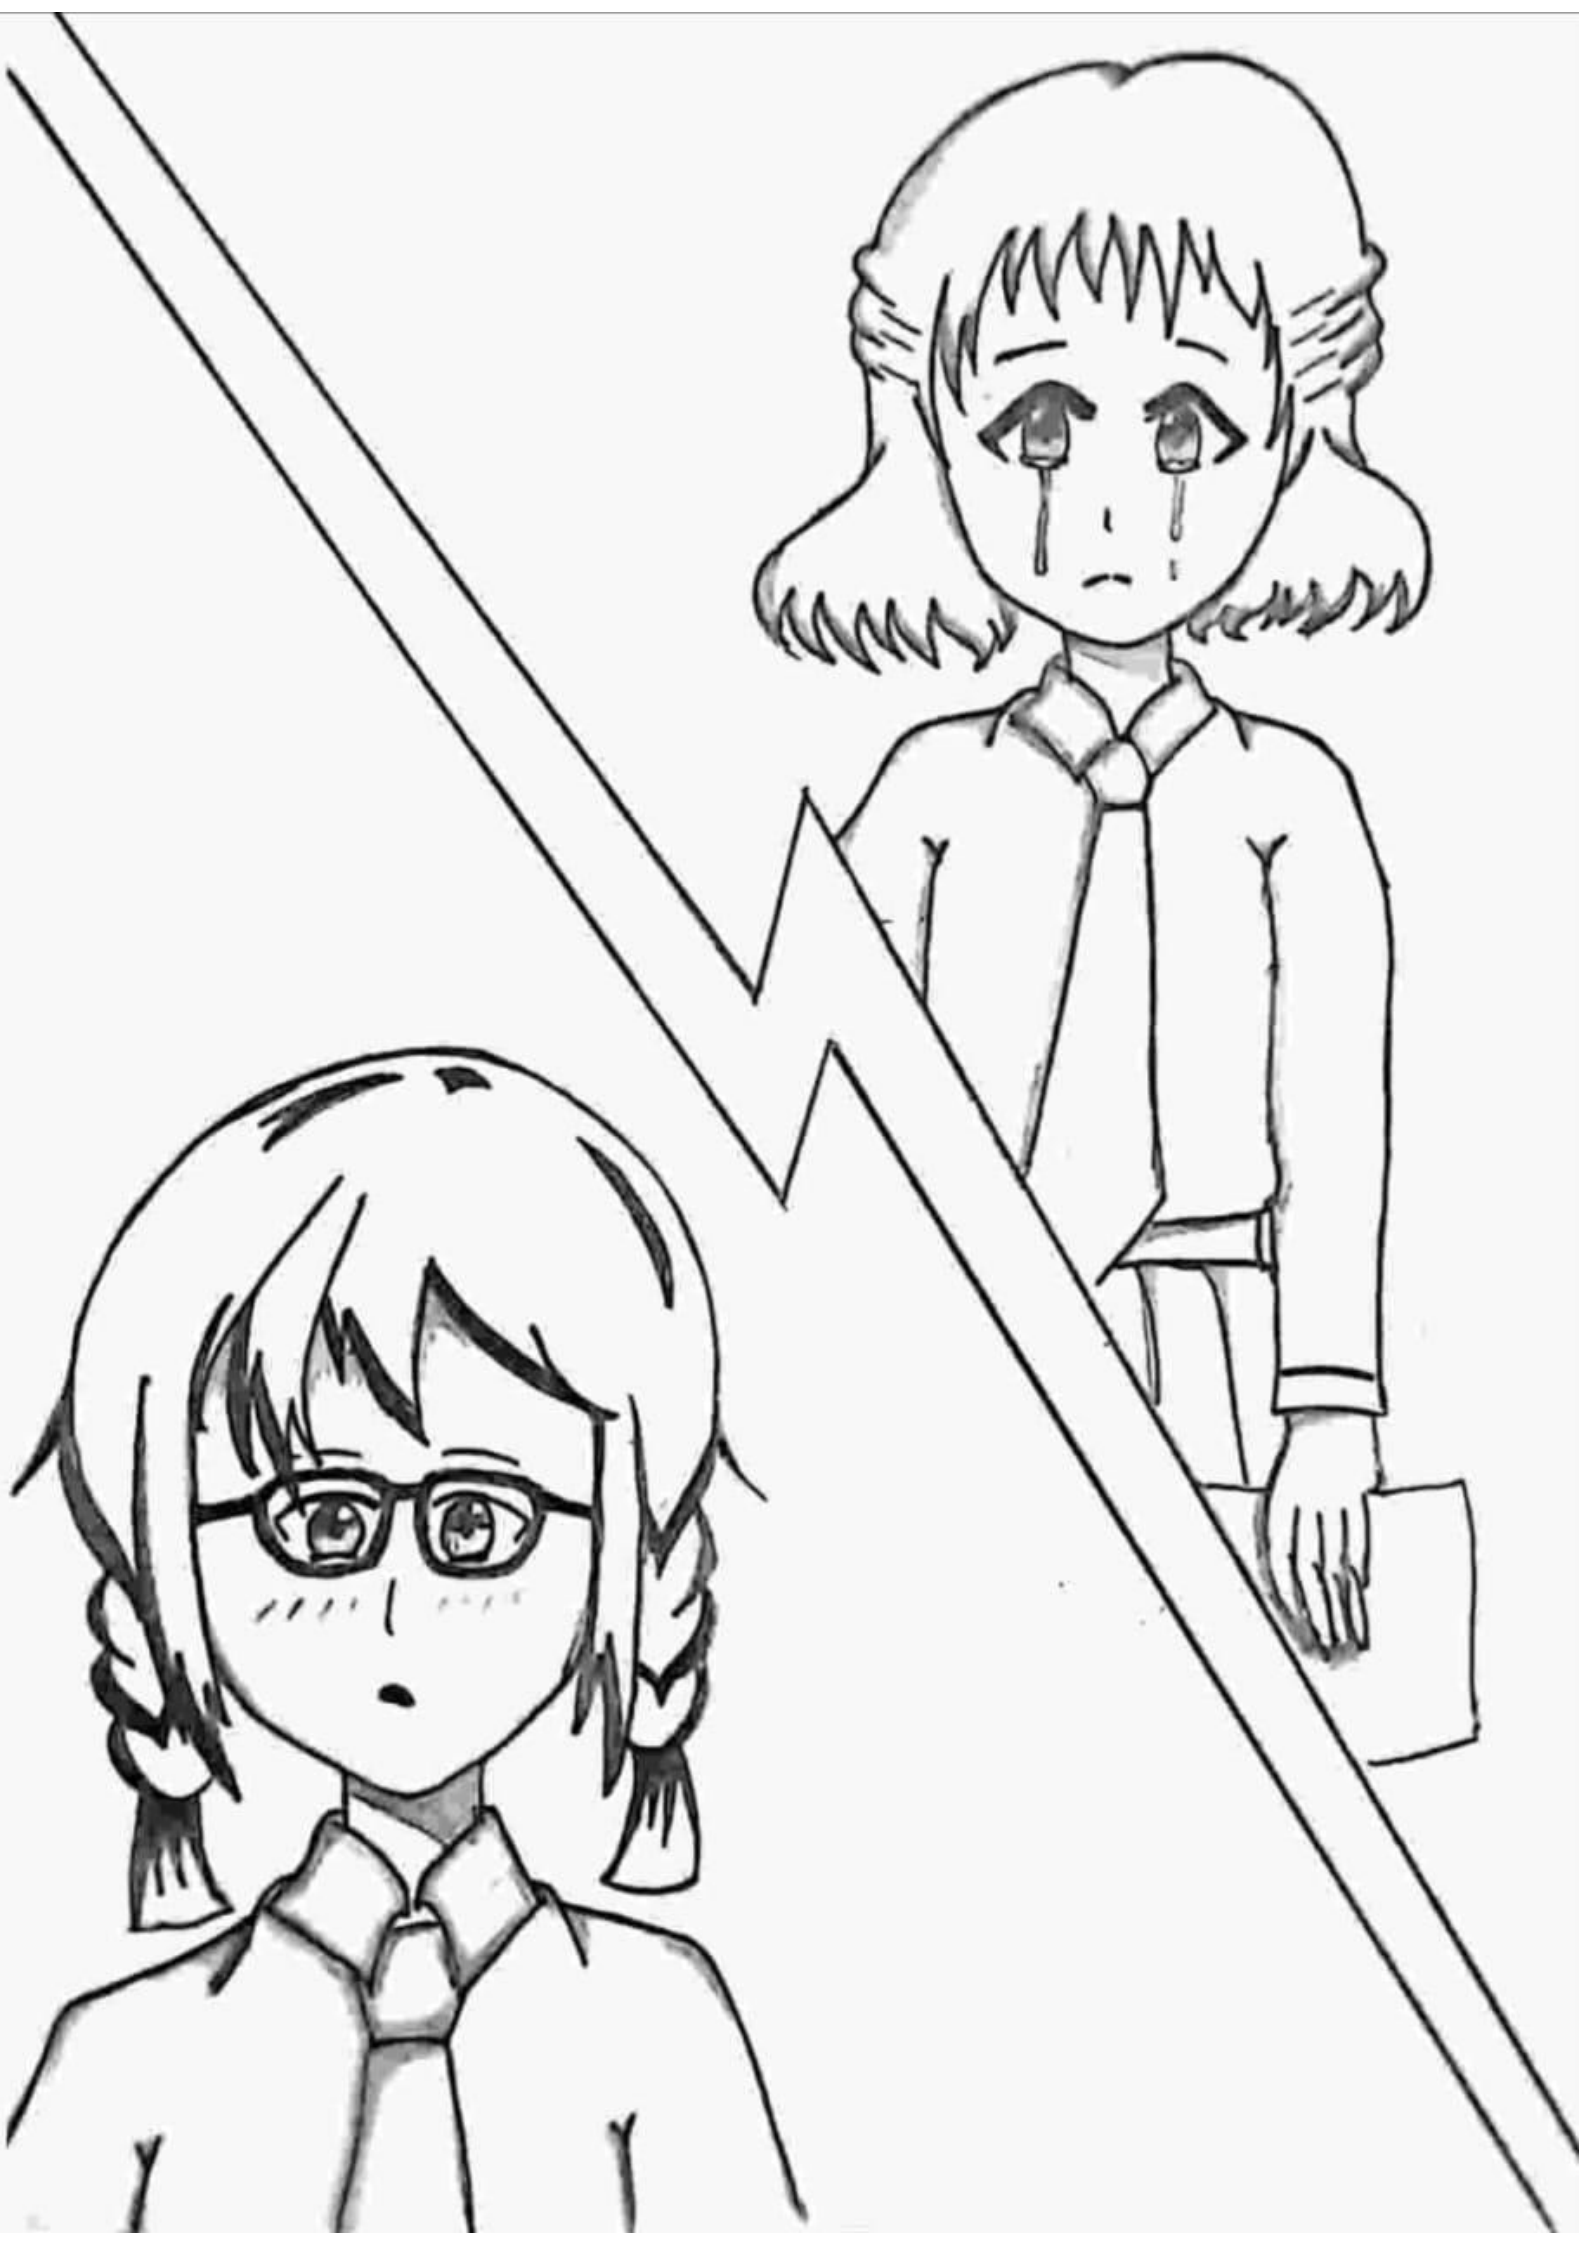

“Oh! Of course.”

“Ok, now I have to go to the office. Bye!!”

“Bye!!”

Oh! Shiyo is very kind. After she went, all the students were looking at me. Specially, Miyo was looking at me angrily. But I don’t care. Because, I know that she is that kind of girl.

\*\*\*\*\*

## Chapter 04

# Angry is the worst word in the world

Next day, Shobi knew the problem that happened to me yesterday.

She was so angry about Shiyo. She went to meet Shiyo.

“Shiyo, I want to talk with you.”

“Ok, not that, have you heard that the case that happened to your friend?”

“Oh! Yes, yes, I also want to talk with you about it. Because, that was happened to her because of you, Shiyo.”

“Aaa... What are you talking about? That was happened to her because of Miyo. Not me.”

“But Miyo hit her because of you Shiyo.” Shobi dragged by the collar of Shiyo’s uniform.

“Hey, what are you doing? Stop...”

“Hey, Shobi, Stop.”

“I will forgive you for today because of Hinori. Don’t talk with her again. And Hinori, don’t talk with me until you forgetting Shiyo.” Shobi went angrily.

“Shiyo, Are you ok?”

“Hinori!! That’s enough now. You saw that what happened, isn’t it? Shobi was angry with both of us. So, please, don’t talk with me again.” Shiyo went from here.

Oh! Nice. Shiyo was also angry with me. What had to happen happened. Now, I am happy! Happy?

Next day, When, I went to the class, Shiyo was also there. But she didn’t talk with me. Actually, she behaved like she doesn’t know me. Oh! Nice.

\*\*\*\*\*

## Chapter 05

# A strange thing

I changed places with Loris Because, I cannot sit near Shobi.

“Loris, I bought a chocolate. Would you like to have a piece?” I asked from Loris.

“Ok. A smaller one. Shobi, do you want a piece?” Loris asked from Shobi. Oh!

“I don’t want chocolates from those fake friends.” Shobi said.

“Hey, Shobi, don’t say like that.” Loris said.

I was hurt. All the day, Shobi hurts me by saying different things. Finally, I couldn’t bear it.

“The term test will be in next week. I could receive a good mark. Loris, you are also studying hard, isn’t it? So, you could also get a good mark. But I don’t think that Hinori can get a good mark, Huh!” Shobi hurt me for the 10<sup>th</sup> time. I couldn’t bear that.

“Aaaaahhhhhhh!!!!!!!!!!” I stand angrily. I pushed the desk at speed.

“Hey, Hinori, Stop.” Loris shouted.

But I didn’t listen to her. I ran away from the class and from the school. I ran far away. All the surround was very alone.

I felt that I am lost. The surround was also very strange and dark. I walk little bit forward. I saw a little shop. I went to that shop. It was not modern shop. It was a vampire mask shop with a horror look. The sailor was a vampire girl!

“Ohayo, Hinori, I am Kaida. I am a vampire. Hajimemashite! (Nice to meet you)”

“I met a vampire. But I am a normal girl. What is the meaning of this?”

“Anyone cannot see me easily. Because, only good girls with great sadness in their heart can meet me. That’s why you could see me. I know your problem. You can choose any mask among those masks. If you wear one of these masks, you can be a vampire. When you feel like that, this life is boring, you can wear a mask and be a vampire. You can be invisible and fly around the world. Would you like to buy one?”

I bought a mask and wore it. I became a vampire.

“Can I again be a normal girl?”

“Yes. But before you become a full-blown vampire. For that, you should find a Human mask.”

“But how... Oh wait!”

She disappeared. I was in the town. Already I am a vampire and anyone cannot see me. Wow! It is nice. Because, Until That problem is finishing, I can stay as a vampire.

## Chapter 06

# That was not nice as much as I thought

I visited all around the town. Next day in the morning I went to the school gate. But, from what I've seen, I froze. With Shobi, there was a girl. She is...

She is me!

"Shobi, I forgot Shiyo. Now, you are not angry with me, isn't it?" Fake Hinori asked from Shobi.

Aaa... Who is she? And, how she told that, I forgot Shiyo. I never say like that. What is happening there?

Fake Hinori looked behind. She could see me. She smiled me strangely. Oh! I can remember this smile. It is Kaida's smile!

Yesterday, After I wore the vampire mask, my human mask fell off. Kaida got it. Oh! She has worn that mask. I could understand all. I wanted to be a normal girl again. For that, I should get my human mask from Kaida again. But I don't think She will give the mask again easily. Oh! What should I do?

I went to the school, Because, I need to see what is happening in the class.

"Hey, Hinori, where did you go yesterday?" Shiyo asked from Kaida (Fake Hinori).

"Huh... Why are you asking? You blamed me. Now, you are asking that where did you go yesterday? I was shocked yesterday, because of you Shiyo. Don't talk to me again." Kaida said. As I saw, Shiyo was hurt.

"Hinori, I thought you are a good friend. I was thinking to be friend with you again. But you scolded me. You are not Hinori, that I hoped." Shiyo went from here. Kaida smile ridiculously.

Ah! My heart was broken. Kaida stole my soul and also, she hurts Shiyo. I couldn't bear this.

In the afternoon, I met Kaida.

"Hii, helpless vampire." Kaida greeted me ridiculously.

"What do you want to do? Do you want my life or Shiyo's life?"

"You don't care. I am doing, what I like to do."

"You stole my soul, now you are behaving like you are Hinori. What do you want?"

"Mind your own business."

"I want to be Hinori again. GIVE MY SOUL!!" I shouted.

“Today at midnight, the vampire power is waking up. So, now you are becoming a full-blown vampire. Before that you should go to the vampire gate. Vampires can see a golden fence along the path to that vampire gate. Go to that vampire gate and say, “Kyuketsuki no sekai e no michi o oshietekudasai”. From that, decide for yourself what to do?” Kaida disappeared.

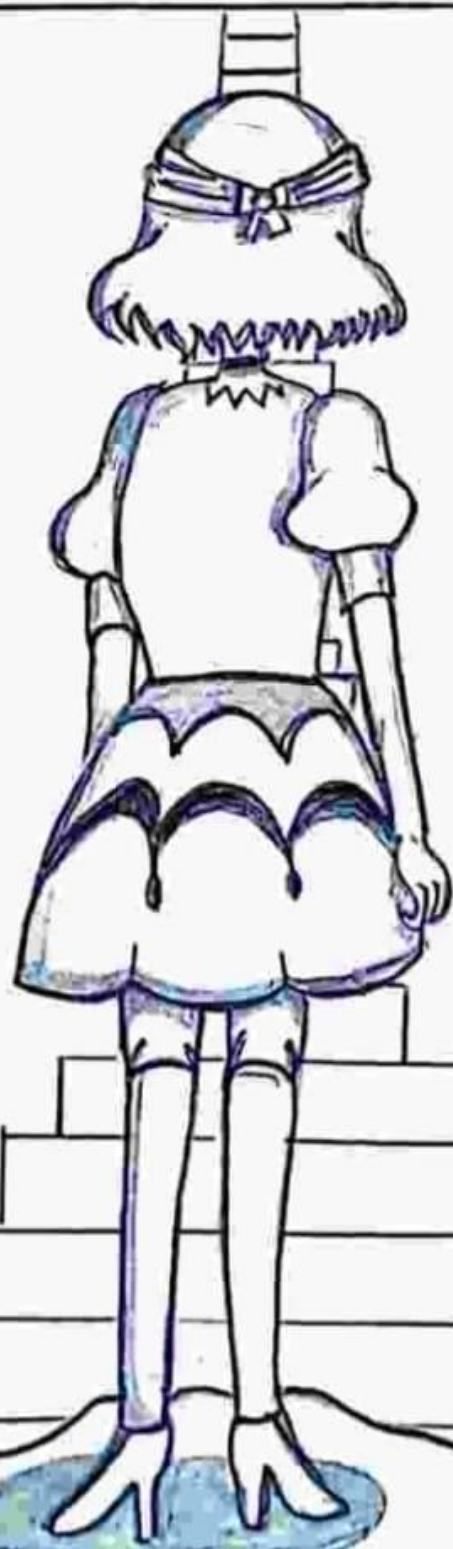

I tried to find the golden fence. Because, I am becoming a full-blown vampire. I could see it. I went along that. I had to climb a mountain also. Finally, I went to the top of the hill. The vampire’s gate was there. But I couldn’t see any thing from that. I closed my eyes and said that phrase, which Kaida told.

“Kyuketsuki no sekai e michi e no michi o oshietekudasai”

I could see a staircase from the top of the mountain. I went along that. When, I passing one step, another step is adding. After I passed 1000 steps, I went to the vampire world. It was a big old-style town. I went into that town.

\*\*\*\*\*

吸血鬼 門

## Chapter 07

# Shiyo found out Kaida

While I went to the vampire gate. Kaida had gone to meet Shiyo.

“Hi Shiyo, I am sorry to blame you morning.”

“Hey!! Hinori, how did you find my home? And today you are behaving very strangely. You are not like you used to be. What happened to you?”

“You know that I am not Hinori, Isn't it?”

“Mmm...Yes... Ahhh!! Wait. So, who are you?” Shiyo shouted.

Kaida removed the human mask.

“I am Kaida...” Kaida told the whole incident to Shiyo. “I am sorry”

“Where is Hinori? What happened to her? What did you do for her?”

“As I think, she had passed the vampire gate now.”

“Please, bring me to that place.” Shiyo begged from Kaida.

Kaida bring Shiyo to the vampire gate. Kaida started to go along the staircase. Shiyo climbed the stairs out of fear. Because, she can't see the staircase.

“From this, you cannot stay with this normal look.” Kaida turn Shiyo into a half vampire.

\*\*\*\*\*

I saw that several vampires were there. I went into a shop in that town.

“Konbanwa (Good evening)! I think, you are a new member for this town.” A vampire talked to me.

“Oh! Yes.”

“Did you surrender to her?”

“What?”

“To Kaida. She is security guard of Kitsune. She goes to the Earth and selling masks for Different people. By this way, she conquered us. I think she has conquered you also.”

“Who is Kitsune?”

“She is the Queen of this vampire world. She wants to spread the vampire power to Earth. For that, she needed 1000 vampires. before you came, there was only 999.” A vampire explained.

“Wait, Now, the all 1000 are completed. It means, Today the vampire power is waking up!” another vampire scared.

“Yes, Kaida told me.”

“Hinori...” I could hear a familiar voice. I looked behind. Kaida and Shiyo was there. I ran to them.

“Kaida, Is this my Mask?”

“Yes.”

I looked at Shiyo. She looked away strangely. I froze.

I wore that mask. But I couldn't be Hinori again. What?

I felt that someone is behind. I looked behind. There was a lady with a royal look.

“Oh, Kitsune...” All the vampires bowed her.

“Cannot you bow? And, do you want be a normal girl? It will be not easy. Huh...Huh...” She held by my hand and flied to the sky.

“Hinori... Why cannot she turn into a normal girl?” Shiyo asked.

“Because, she is not ready for it. It means, she is afraid of how she will face you after she became normal.”

“Oh, I want Hinori. I cannot forget her. I will give apologizes for her. Please Kaida, I want her.” Shiyo's eyes welled with tears.

\*\*\*\*\*

## Chapter 08

# Kitsune was defeated

“Please, let me go.” I shouted.

But, Kitsune didn't listen to me. She brought me to a place called 'royal zone'.

“Now, after I took your soul, The Earth is mine. Ah, huh, huh” She made a curse for me. I shocked and fell down by that curse. She tried to get my soul.

“Stop” Shiyo and Kaida was there. Shiyo came running and pulled Kitsune. They fought. Kaida and all the other vampires came and helped her.

“Kaida, before you helped me to conquer those vampires. But, Now, you are helping them to defeat me”

“Because, The Earth is not ours. We have not a right to do that.”

“I am going get this girl's soul.” Kitsune said.

“Guys, Go and stop her.” All the vampires came and stop her. Shiyo came to me.

“Hinori, please, open the eyes. I am sorry. I will forgive you. Please, wake up.” Shiyo said through the tears. Her tears fell on to my chest. I feel comfortable. I opened my eyes.

“Oh Hinori, Are you ok?” Shiyo wiped her tears and smile.

“Oh! Shi...Shiyo, is this you?”

“Oh! Yes baby. I am sorry.”

“Why are you saying sorry? I should say sorry.”

“I like to be your best friend Hino... I love you!”

“I love you too Shiyo.” Happy tears were welled my eyes.

Kaida came and gave my soul to me. I wore my human mask. I turned into Hinori again.

“Hinori...” Shiyo hugged me. I also hugged her.

“No way...” Kitsune shouted.

“Oh, Helpless Kitsune...” We all smiled her...

\*\*\*\*\*

## Chapter 09

# All the things were normal

After that, Kaida brought us to the Earth again safely. All the night, I was thinking about her. About Shiyo. Now, she is my best friend. Oh! Wow!

Next day, I went to school. Oh, After I came, Shiyo was also in the class.

“Ah! Hino... Ohayo...!!”

“Ohayo, Shiyo!”

“Did you sleep yesterday?”

“Oh! Actually...”

“Your answer is ‘no’, isn’t it?” Shiyo asked with a smile.

“Of course, My answer is ‘no’. You?”

“Me too Dear... huh, huh...”

“Huh, huh...” we laughed each other.

We sat on two chairs. We were looking at each other.

“While, looking at you I feel a strange feeling, Shiyo.”

“While, looking at you I feel that I am with an angel.”

We were looking at each other for a long time...

“Not that, after two weeks, we have the term test.” Shiyo said.

“You are the first place. I am sure...”

“In this time, not me.”

“Ah!”

“Oh, don’t think about that.”

On that time, Miyo came. She saw that Shiyo and I are talking.

“Oh, Shiyo, Hinori Blamed you yesterday. Now, you are talking with her.”

“Blamed? Hinori? No, I can’t remember. Not only talking with her. She is my best friend.” She said while holding my hand.

“Now, I have to go to the office. Hino... Can you come with me?” Shiyo asked from me.

“Of course, Shiyo.” I went with Shiyo while showing a ridiculous smile for Miyo. I saw that Miyo was confused. Oh! Huh, huh.

\*\*\*\*\*

# Chapter 10

## Term Test

It was a Monday.

The term test was started. I have studied well. So, I know that I can get a good mark.

“Ok class, now, your exam starts.” Our class teacher, Mrs. Deguchi said.

On that time, A paper rocket was come on to my file. There was a chit in it. This has written on the chit.

“Good luck, Hino!”

- Shiyo

I looked behind. Shiyo smiled me.

“You also.” I told her with a smile.

\*\*\*\*\*

After few days, the results were given.

“Ok class. Now, I am going to tell the first five places.

5<sup>th</sup> place- Diheri Seyora

4<sup>th</sup> place- Diyori vimiyo

3<sup>rd</sup> place- Shobi Daijia

2<sup>nd</sup> place- Shiyo Nitzune

1<sup>st</sup> place- Hinori Tanaka”

Oh! I froze. I am the first place.

“Oh! Wow, Hino! Congratulations!!”

“Thank you, Shiyo! And, Congratulations to you also!”

“On the next term, our class monitor is...”

“Hinori... Hinori...” All the class shouted.

“And the vise monitor should be Shiyo.” Diheri and Diyori said.

“Ok, Hinori is the class monitor. Shiyo is the vise monitor.”

Shiyo looked at me, I looked at her. We smiled. Suddenly, Shiyo hugged me. I shocked. I also hugged her. All the class clapped for us.

\*\*\*\*\*

## After word

As modern technology permeates the social and economics arenas, students tend to distance themselves from the creative process, relaying more and more on technological tools. To reduce this risk and help aspiring young writers produce their own books, I sought and presented a research proposal to the Ministry of Education in 2014. It was a fantastic opportunity for children to showcase their enthusiasm and knowledge. The students of Mahamaya Girls' College achieved a record for the most book written, paving the way for a new level of innovation. The e-book project will enable the students to reach international readers, and I am confident that they have gained new experiences and challenges that will enable them to face the future with resolve.

I wish all of the young writers the best of luck in their future endeavors.
