For my Mother & Father

Literary development is a yardstick to measure the development of a country. The Kotte and Dambadeniya eras stand out in the history of the world because they were literary enlightening periods.

If so, this is the golden period in the history of the Mahamaya as well. This is the reason why our daughters have been enchanting through book writing for many years now. It is a special event that our writers have succeeded in building a culture of writing books in the school and spreading it to the entire school system and this time involving the global student community in it.

Beyond this, this time the school community itself has also decided to rebuild the past Yatiwara writing tradition in the country in order to pay tribute to the founder of our school, Karadana Atthadassi Thero.

The Pirivena student monks have also taken up book writing “The Herana Gatkarani “project was introduced.

It is a matter of pride for me as the principal to lead the way in bringing about a qualitative change in the education of schools and Pirivena education through this academic and religious service, and it is also an achievement for the school.

This book, which is the result of recognizing one's innate talent at an early stage in life and turning to writing, will undoubtedly be a help for future education and future life.

THE WINDOW

Bang

Pink Suit has a twin. The annoying one. Enemy since birth. Guess who that creature is? Yup! He's Tie Suit, known in town as the troublemaker.

“TIE! CAN I HAVE ONE MORNING... JUST ONE WITHOUT YOU ACTING CRAZY”

The damage was already done. Glass pieces shattered on the floor creating a big mess.

“Sorry. It wasn't intentional!!!” Tie screamed
Suit is known as the angel. Everyone's favorite. To be honest... if not for the striking similarities in their appearances nobody would believe that Suit and Tie are siblings considering how responsible and hardworking Suit is. Well... Tie? He's a catastrophe. Carefree to the point if Suit doesn't cook, he'll probably starve to death.

“WHAT THE FREAK IS WRONG WITH YOU! CLEAN THIS MESS RIGHT NOW TIE! I HAVE

WORK TO DO.” Suit screamed back, totally done with Tie’s behavior even before the day started. “Why didn’t you switch off the TV last night? Gosh! Why do I always need to do everything.”

Another pup has been reported missing last night. He was last seen near the Blewell River at 7:00 pm. The news reported “Probably would have run away. Kids these days are unbelievable just like that bratty brother of mine.”

Tie walked into the house knowing that World War 3 might just start if he didn't.

“CLEAN UP... NOW!!!” Suit screamed while packing her bag ready to go to work. Suit is a fashion designer with a real job unlike Tie, who wants to be the president without doing anything.

“What did you cook cause I ain’t eating the sam-”

“THEN STARVE!! DIE! SUFFER” Suit screamed slamming the door shut on her way out.

That demon is the worst. I’m curious to know how an amazing creature like me got such an annoying crackhead sister. Tie walked into the

kitchen mentally screaming at Suit cause according to him his life would have been a million times better if his sister didn't exist.

Tie found nothing in the kitchen. Absolutely nothing. He checked the fridge only to find an apple and a jam jar.

“What the freak am I supposed to eat? Doesn't that raccoon ever think about my precious digestive system?”

FINE. I'LL STARVE TO DEATH THEN. Tie said walking out of the house as well. He has two options, go to his sister's workplace and annoy her like his life depends on it, or mind his own business by walking around town boasting to others how much of an amazing president would be if he ever got voted.

Guess what the walking tornado decided to do today. Trouble and Tie have a mutual bond. LITERALLY!!! He knew his sister would be coming home late today which meant he had a whole day to shower chaos around town.

THE RUMOUR

As Suit walked into the office, she was greeted by everyone. Suit was known for her sweet personality and also because of how responsible she is.

“Hey Suit, Good morning.” Ellie, her best friend said, immediately clinging on to her.

“Good? I don’t see any good this morning.”

“Did that bro of yours blast a bomb? He is the kind of creature that would do that” Ellie laughed.

“Broke the window actually”

Suit sat on her office chair while Ellie plopped on the couch.

“You should have come a bit early today,” Ellie said grabbing Suit’s attention

“With my brother’s existence... Hell nah. Coming early is impossible”

“There are some umm... well... stories,” Ellie said softly before walking towards Suit and sitting next to her.

“Spill the tea. I’m listening”

“Well, you know the new Ceo?”

“Yup. She’s mysterious” Suit replied

“Exactly. Well, apparently, she’s friends with the freaking president.”

Suit chuckled because of how dramatic Ellie was acting. "Good for her then. Why are you all fussed about it? Probably old school friends.”

“Cause the president is... I mean the stuff she does is questionable.”

“Questionable?” Suit repeated, “What the heck did she do?”

Ellie looked at Suit in disbelief. “Girl! She’s the talk of the town. She became a billionaire in a few weeks. Where did she get that kind of money? The only logical answer I have right now is maybe she sold her organs because there is no way she can earn money that fast. She was literally broke a few months ago!!!

“SHE’S THE PRESIDENT. THAT’S A HIGH-PAYING JOB!!!”

“SHE BECAME PRESIDENT A WEEK AGO! Are you living under a rock?” Ellie screamed back.

“I found way more suspicious activity, but I can’t let anyone hear so I’ll tell you once we are at my place.”

Suit looked at Ellie dumbfounded “What! We can’t just leave like that. Do you want to get fired by the Ceo peepbrain?”

“Look here genius. I’m always one step ahead”

“Yeah! One step ahead when getting yourself into problems” Suit said knowing how clumsy Ellie is.

“The Ceo isn’t here. She didn’t come to work today. No one will know besides I have a cake to bake for my sister's birthday, so I need your help with that too. “Ellie said, dragging Suit out of the office.

Ellie lived with her sister and little brother who are way younger than her. Ellie bakes as a part-time job and she’s actually pretty good at it.

* At Ellie’s Place*

Suit went near the fridge hoping to find iced coffee which is her only energy source. “What exactly did you want to tell me?”

Ellie, who had already started mixing the dough, looked up with a sly smile.

“Please for the love of flying horses don’t tell me some absurd theory you heard. Last time you said the Egyptians live underground.”

“OKAY! So, hear me out. According to what I heard, Pups have been kidnapped.”

“Tch, those little brats would have wandered off somewhere. Who in their right mind would kidnap those little creatures?”

“I don’t know, maybe the PRESIDENT and her minions,” Ellie said trying to bring sense to her theory.

“Well... even if it's a kidnapping, that's not our problem. I wanted those little organisms out anyway. So annoying” Suit said plopping on the couch with a tub of ice cream. “They can take Tie if they want. I’ll pay them to kidnap him.”

Ellie stared at her best friend flabbergasted. “You are the worst sister in the history of sisters.”

Suit shot a glare at Ellie who was busy baking deeply offended. “Need a hand?”

“No, sit there and listen to me. Anyways, unlike you, other sisters care about their siblings. According to what others are saying they think someone powerful is behind this. The main suspect is the president. She has a reputation for being selfish, you know.”

Suit was confused as usual. “What’s the point of kidnapping puppies? Didn’t the so-called president have anything better to take”

“Girl! You stupid?” Ellie asked

“Hey! Be careful with your grammar. I’m not stupid, okay? I use the term... Less listening and more talking” Suit dramatically fixed her tie.

“You made me skip work to tell me this? You are the insane one here. It's not like we can stop this whole kidnapping situation anyway.”

“Maybe we can’t stop it, but we can find out what’s really going on. Aren’t you curious?” Ellie put the tray in the oven before plopping on the couch next to Suit.

“Nah... I’m not curious to get KIDNAPPED BY SOME UNKNOWN CREATURE AND DIE AT A YOUNG AGE WHEN YOU HAVE MANY MORE YEARS TO SLAY.

Suit and Ellie are childhood best friends, so they basically know everything about each other. Even though Suit doesn’t really care much about what’s happening around her she genuinely is concerned about what’s happening to the pups. Suit doesn’t blame Ellie for being paranoid about it either. She knows how much Ellie loves her sister Petal and little brother Delo. They are the only family Ellie has after her mom and dad passed away in a car crash four years ago.

“So how exactly are you planning to get more information about these missing pup cases?” Suit asked because she’ll never let her best friend do something life-threatening by herself.

“I got an order yesterday for a 5-tier cake. Have no idea who ordered it, but the address is the president’s house.”

“WHAT!”

“I know right? Surprised knowing how talented your best friend is?”

“No! I’m judging Miss. President’s taste buds.”

“That's rude. Ouch.” Ellie whined

“If you got an order for a 5-tier cake, shouldn't you start baking?”

Ellie with a proud smile confidently walked to the fridge before opening it and pointing to the cake kept inside. “Tot to do”

Suit who was proud of her bestie a second ago was left star stuck, again.

“How long has that cake been sitting there”

“Not long. About two days I guess” Ellie said scratching her neck nervously

“WHA- TW- TWOOOO? THAT’S A CAKE! NOT A FREAKING ICE CREAM.” Suit screamed, “That thing must be rock solid by now.”

“Well, that's not my problem.”

“YOU ARE A BAKER YOU DIMWIT. IT’S BASICALLY YOUR FREAKING JOB!!!”

“Yeah, I’m a baker but right now I don’t care about how the cake is going to taste. It can taste like rotten broccoli for all I care. I’m using this opportunity to sneak into the president’s house and...you know, see what's going on. Want to join?”

Suit who was done with Ellie’s shenanigans had no choice but to agree. That crackhead is her best friend so if she’s dying, she’s dying with her. Simple best friend logic.

“Sure, why not ruin our lives together.”

Delo? DELOOO

The two best friends were eating cake peacefully until Ellie realized “Where the hell is Petal and Delo?”

Petal coincidentally barged in through the front door at that exact time.

“Perfect timing Petal. Your sister was about to get a stroke” Suit jokingly exclaimed.

“Oh, Finall- WHERE’S DELO?”

Petal looked around hoping her brother would magically appear. “He’s not here”

“YEAH, I KNOW HE ISN’T HER THAT’S WHY I’M PANICKING” Ellie screamed

“How will I know?” Petal questioned

“You’re his older sister. Taking care of him is your responsibility”

“Since when? Besides, stop making it seem like I’m 100 years older than him. It’s just 2 minutes.”

“THEY ARE TWINS???” Suit screamed

“OH MY GOSH? YOU DIDN’T KNOW?” Ellie screamed back

“How will she when you make it seem like Delo, and I have a century-old age gap???”

Ellie who is now imagining all the worst scenarios that could have happened to Delo couldn't think of anything else other than crying.

“Calm down Ellie. He must be a slow walker. He'll be back home soon” Suit tried calming Ellie down.

“He's two hours late. Delo's never late.” Ellie said, wiping her tears. “When was the last time he was with you petal?”

“I didn't see him after he went to play with his friend,” Petal said, still not realizing that her brother was missing.

Suit was also panicking by now. She knows Delo is scared of the dark. He won't go anywhere alone unless Petal or Ellie is with him.

“I'll call Tie and ask him to check around town. What if he lost his way back home.” Suit said, picking up her phone,.

“OR GOT KIDNAPPED!!!” Ellie said

“Could be” Suit shrugged

“THAT’S NOT HELPING” Ellie screamed, ready to throw hands at Suit.

“Why don’t we inform the police?”

“The police aren’t helping. They did nothing to find the pups who went missing before Delo, probably cause the president herself is behind all this.”

“Then let's find him by ourselves,” said Suit “We are going tomorrow morning to deliver that cake, right? I’m sure we’ll find some clues there.” Ellie nodded her head knowing there was no other option than to take matters into their own hands.

CAKE

(This cake saw glimpses of death every 5 seconds.)

Suit, Ellie, and Petal, now standing outside the president's residence, were dying. Petal wasn't allowed to join them but guess who secretly climbed inside the car and came unnoticed to face death?

"You can always adopt a brother if you want one, right? Why risk your life." Suit said scooting behind the bush.

"SUIT! Ellie paused, "What's your middle name?"

"Button"

"PINK BUTTON SUIT! HE'S MY BROTHER?" screamed Ellie. "Who named you? A tailor?"

"My grandma ... who's a tailor"

"I see"

Ellie pressed the bell and waited hoping the security wouldn't be scary.

After a while, a security dogfficer opened the gate.

"Yes?"

“We got an order for a cake. This is the address that we received.” Ellie said in one breath.

“Hold on a minute. I’ll go and ask.”

The dogfficer said before going inside.

“Now’s the chance Ellie. Let’s go inside and hide”

“What about the cake?”

“To be honest. It’s a good idea to just leave the cake here and hide.”

“Huh?” Ellie signed confused

“Two reasons. Number 1, we’ll lose the chance to get in if we wait to give the cake.” Suit explained

“Second, that cake is basically frozen. It’s better they don’t know who the baker is. That thing is not edible.”

Ellie shot eye daggers at Suit “You don’t miss a chase to insult my baking skills huh?”

“I was just stating facts” Suit teased.

Suit without wasting another moment sneaked in after making sure there were no dogofficers.

The last thing Suit wants right now is to get arrested.

“Follow me dumbo? Do you want to end up in jail?” Said Suit

“Honestly, sitting in jail is better than dealing with your shenanigans”

“I want to give a high five.. TO YOUR FACE but I can’t right now.” Suit glared at Ellie dragging Petal with her.

Ellie tried her best to keep up with Suit and her crazy acts.

“This is dangerous Suit” Ellie whispered

“I’ve been flirting with death since the day I was born” Suit replied with a proud grin before jumping through the Window.

Ellie had no other choice than to follow her best friend.

“Do you even know what room this is” Ellie questioned

“It's luxurious”

“Yeah, no freak Suit. This is the president’s residence.” Ellie whispered. “To whom does this room belong though?”

That's when both realized the extent of the problem. They are in the president’s house without permission and don’t have an explanation if the security catches them.

“Jade” Someone screamed in the corridor.

“Please come to my office.”

“Great Genius, now we are dead-”

Before Ellie could blame Suit for everything bad happening in her life, she pulled her aside and pushed her behind the door.

When the person they heard in the corridor entered, their jaws dropped to the floor.

“Th.. that's t..t..the p... p..p.. President” Ellie stammered. “W.. what if .w..we g..g..get caught?”

“We won't! If you had the talent to stay quiet”

Petal was hiding under the table. She's trying her best not to cause trouble because she still blames herself for her brother's disappearance.

“Did you get the receipts? The president asked Jade. “I need the money today. I ain't doing anything for free”

“What are they talking about?” Ellie asked,

“Business matters- I think” Suit replied

“Make sure the pups are sent by tomorrow. Don't delay the orders”

“PUPS... SUIT THEY ARE TALKING ABOUT-”

“Quiet you brainless pigeon, they can hear us”
Suit yelled.

Ellie now knew what really happened and was panicking. She knew how humans treat pups. Some are good but some are bad.

“That devil is selling pups to humans huh?”

Suit was trying to keep everything under control. She knew very well about her best friend’s anger issues.

“How do you know she sold them to humans?”
Suit asked

“Humans are the only ones who would agree to do something like this” Ellie growled

The president didn’t seem to notice anything that was happening. She was busy handing over some files and instructing Jade to do whatever this was without getting caught.

“How can she betray her own kind like that?”
Suit asked herself to which Ellie replied, “Greedy for money... bald Raccoon!!!”

“I’ll inform the rest to Milly,” The president said before walking out of the office with Jade.

Ellie was ready to throw hands, but she controlled herself. “Milly? Isn’t she the CEO?”
Suit nodded in response.

RUMMAGE THE OFFICE

At Milly's Cabin

“Why did you drag us here,” asked Petal, exhausted from running.

“I’m asking the same thing” Suit joined teams with Petal

Ellie somehow managed to break into the Ceo’s cabin. No one bothered to question how she did it cause they both knew she was the queen of illegal activities such as breaking into places she’s not supposed to be in.

“If Milly’s involved, she should have something related to it in her office that might help us right?”

Ellie been the unbothered creature, started to open every drawer.

“Is she crazy? I mean... when was she ever normal” Suit said plopping on the chair

“GOCHCHA” Elie screamed pulling out a file from a pile of papers. “Documents and receipts” Suit and Petal dramatically started clapping.

THE WINDOW SHATTERS

“I think we are under arrest,” Ellie said taking steps back, clearly terrified.

“Nah, that's the grand entry of my twin Tie,” Suit said without glancing at the Broken window.

“He has a flair for breaking things”

“I don't”

Tie stepped down huffing. Well... he did climb to the 6th floor.

“Tie, you know there is an elevator and a stairway, right?” Ellie questioned

Tie didn't seem to pay attention to anything. He just wanted to plant himself somewhere and sleep.

“Tie, could you please search the drawers for files containing any suspicious activities without being a waste of oxygen” Suit asked, done with Tie for the millionth time.

Tie eyerolled.

“So... where did your brother run off to?”

“He was Kidnapped! By the President” Ellie corrected

Tie shot a confused glare at Ellie. “Why would anyone want a brat like him?”

“Trust me, I’ve been asking the same thing,” Petal said

Ellie didn’t take long to find the files that had every detail they wanted. She was angry and disappointed at the same time. How could anyone think of doing such a thing to those innocent pups? Delo must be crying. Ellie knows how scared he gets when he’s alone.

BREAKING IN

Tie couldn't wait another moment. He lacks patience and that's the sole reason he gets into trouble most of the time.

They were now standing outside the president's residence once again. None of them had a second plan if this one goes downhill but they had no other choice.

"Remember, if one of us gets caught the others should run," Ellie instructed

"Who said we are going to wait?" Suit mumbled

"Okay then, 3...2...1 JUMP!!" Tie jumped from the gate which did seem impossible at first.

"My fur is getting dirty," Suit said

Petal managed to crawl her way in somehow.

Slowly walking through the corridors, no one dared to speak. One little mistake could ruin their entire plan.

"I want a house like this" Suit whispered

"Shuuuush" Ellie hit her hand

As they passed through the kitchen, they checked whether there were any chefs.

“I’m hungry” Tie whispered reaching out his hand to grab a strawberry.

“Can you three grow up? Gosh! I'd rather babysit a dinosaur” Ellie said

“I’m literally a kid,” Petal said in disbelief, pointing at herself.

Ellie facepalmed herself

“Do you even know where we are going? Following you was never a good idea.” Suit asked, leaning against the wall.

“According to the location in the documents it is a room next to the kitchen-”

“PETALLL!!! ELLIE!!! I’M HERE”

Petal immediately looked at the direction the sound came.

“That sounds like Delo.”

“CAUSE THAT IS DELO, YOU BRAINLESS POTATO!!!” Ellie said in disbelief

They followed the sound not thinking about the trouble they would get into if caught.

“The door is open,” Suit said doing a happy dance.

“Yeah... the president has a habit of forgetting to close things,” Ellie said going inside the room.

The room was dark.

“If I was a spider, I would live here,” Tie said

“Good to know,” said Ellie.

Delo was locked in a cage with nothing but a fake name tag collar.

“Bomby” Suit read

“BOMBY? LIKE THE NUCLEAR BOMBS” Ellie said dramatically sitting on the floor. “Who in their right mind would name my Sugerpie cupcake with such a hideous outrageous name?”

“Ellie, we have much more serious problems here. You can sue the person who named him later.” Tie said

Petal was already done with her sister’s shenanigans and sat in a corner hoping for the best.

“Suit, you did karate, right?”

“Yes, I was champion and-

“QUIT YOUR YAPPING AND KICK THE CAGE OPEN THEN. I'm too lazy to go searching for the key,” said Ellie.

“Such a caring sister you are”. Said Petal opening the cage.

“How? Where did you find that?”

“THERE” Petal shouted pointing at the key hanger at the corner which clearly says in red bold letters ‘KEYS’.

“Oh”

Delo immediately ran to his sister, engulfing her in a tight hug. “I was so scared”

“How did you know it was us, Delo?” Ellie asked

“I heard her voice, so I knew you all came to free me,” Delo said pointing at Suit.

“We were that loud? Wonder who else heard us-

BLACKMAIL

“ME!” A voice roared from behind.

“Oh no”

“We were that loud?” Suit asked

“YES, WE WERE THAT’S EXACTLY WHY THE PRESIDENT IS HERE” Ellie screamed

The president’s biggest fear was someone getting to know about her illegal activities.

“How did you all manage to sneak in here?”

“Intelligence” Tie replied

Ellie, Suit, Petal, and Delo nodded their heads.

“GUARDS!!! SECURITY!!!” The president screamed.

Suit didn’t seem to get affected by her threat. She confidently took a step forward pulling out her phone from her pocket.

“Do you want the whole country to know you are a fraud?” Suit said, playing the recording where the president exposed her illegal business plans to her assistant earlier that morning.

“Where did you get that?”

“I have my ways, Miss. President.”

By now the president had realized that she had no way. Suit wasn't the type to keep quiet when something was wrong, and the president knew that very well because her partner in crime Milly had told about Suit to her.

“I'll pay you all. Don't reveal anything”

Tie scoffed. “You really think you can bribe us and get away with this. NO WAY.”

Ellie joined “I have a better idea. Step down from being president because a president must make a safe place for all, not a PARADISE FOR KIDNAPPERS.”

The president totally lost it. She knew she had to surrender, or her life would become much worse.

In no time the police arrived taking away the president for further investigation.

“When did you record? That was a smart move Suit” Tie complimented his sister for the first time.

“I'm not stupid unlike you-

“SUIT! Just say thank you. Can’t you live a second of your life without insulting your brother?” Ellie asked,

TIE SMARTY PANTS

After all was revealed to the public, everyone demanded a new president. The next morning Suit and Tie woke up to the sound of screams.

“TIE FOR PRESIDENT”

“TIE FOR PRESIDENT”

“TIE FOR PRESIDENT”

The twins peeked from the curtain to see what the commotion was about.

“They want me as president?” Tie asked confused

“I’m going back to sleep. Think I woke up from the wrong side of the bed”

Just then Ellie barged into the house panting.

“SUIT! SUIT! You won’t believe it. Milly resigned from being Ceo. She was arrested this morning for being a part of this whole kidnapping situation. Guess what! Everyone at the company wants you to take over. YOU ARE GOING TO BE A CEO!!!”

Suit's eyes widened in shock. "WHAT! ME?"

"YESSSS"

"Tie as president and you as Ceo of one of the best fashion designing companies, you two rule the whole country. Power twins!!" Ellie screamed being the supportive best friend she has always been.

Tie was still confused and was questioning his entire life, wondering what he did to deserve this.

Suit and Ellie sat beside Tie.

"You are clumsy and a bit of a troublemaker, but you always try your best to help everyone around you. That's why everyone loves you" Suit said, wrapping her arm around his shoulder.

"Everyone knows you because you are literally a social butterfly," Ellie said with a warm smile.

Tie grabbed suit's shoulder "I don't trust myself"

"Oh, we know that. I'm going to get ready. A Ceo should dress like one." Said Suit before walking out ready to rock the day.

"Suit! How did you find out about-"

The reporter was interrupted. “MY NAME IS PINK! MY LAST NAME IS SUIT”

“Oh, anyways Pink Suit, how did you-”

The reporter was interrupted once again.

“Actually, it was my killer baker best friend Ellie who found out about these shenanigans first”

“Killer baker?” The reporter was confused.

“Yeah, you eat her cakes and get a one-way ticket to heaven. Thank you”

“HEY YOU PENGUIN!!! YOU ARE SUPPOSED TO TELL GOOD ABOUT MY CAKES” Ellie screamed from inside the house.

...THE END...

According to my concept, under the project that has been running since 2014 to direct school children to writing, we have been fortunate to have planted more than sixty thousand writer seedlings in the local literary field. The objectives of this project are to improve the quality of education, to promote literature that will contribute to the future development of the country, to hone the abilities of the future generation, and to build a platform to showcase the creations of children.

It is our social responsibility to create the fertile soil for those seeds to sprout and grow. This is the only project in recent history that has been implemented continuously for several years at the school level, provincial, national and international levels for the sake of the productivity of education.

This time, it is special that the Pirivena student monks have also been involved in this. The nation should be grateful for the dedication shown by the Principal, daughters, teachers, parents and alumni of Mahamaya Balika Vidyalaya.

The printed book is still the main tool of our education. The enjoyment that a child gets from a book cannot be provided by anything else. It is experimentally proven that the use of various electronic devices to store human knowledge and the distancing of children from books has been detrimental to the quality of education and has created various problems in society. This project, which is being implemented as a solution to this, has been adapting the smart younger generation of the digital age to modern technology by writing electronic works for the past two years, together with school children in the country.

To take their creations to international readers, Mahamaya girls have built a digital fiction for their own, literary creative abilities.

My congratulations to the young writers who have entered it through their creative abilities.
