And she started packing her stuffs in half way and it was evening, she went to have a cup of tea so she went to the kitchen to make a cup of tea while the water gets boiled she just open the cupboard and noticed a full jar of jam and bottle of Nutella chocolate she took those two out and kept in the desk and started to take a cup and put tea leaves and the water got boiled and poured it in the cup and took the cup to the room and drank it and she was back to the kitchen to keep the cup and then she picked out

Surprising moments for her parents...

Leanne then slowly went near in front of her home and she knocked, then she knocked the door again then Leanne

mother opened the door and once soon as Leanne mother saw Leanne happy tears started to fall from her eyes and Leanne hugged her mother so tightly for a long time. Then Leanne asked from her mother “where is dad “ the mom kept silent, Leanne started to get much worse and after a while someone from behind closed her eyes and then suddenly a sound of a popping something was heard behind. Someone from behind shouted by saying “surprise”. Leanne slowly held the hands of the person who was closing Leanne's eyes from behind and then she said “ dad is this you, I know it's you dad”. And she slowly dragged down her hands and then she turned being and she figured it out and confirmed it was her father

And a long conversation went on....

Then Leanne went near the statue of her good. With her parents three of them started to worship and leanne started pray by saying

“Dear God, thank you for everything you gave and did for me, thank you for the happiness you gave me, thank you for the success which was a big achievement for me and God protect me and my family from every kind of problem and dangers.

And leanne went to fresh up and after awhile she came to living room and switched on the television and then someone started to knock on the door and leanne called her mom, and leanne

mom replied to Leanne by saying to open the door so Leanne went and opened the door and she was shocked with surprise, because the person who was knocking on the door was her a cousin and leanne said then to come in and leanne started call her mom. Her mom got scared and she came running and she too got shocked and told them to sit and leanna said “why didn't you inform me that you are coming”. And the relative replied “hmm..
