Foreword

Literary development is a yardstick to measure the development of a country. The Kotte and Dambadeniya eras stand out in the history of the world because they were literary enlightening periods. If so, this is the golden period in the history of the Mahamaya as well. This is the reason why our daughters have been enchanting through book writing for many years now. It is a special event that our writers have succeeded in building a culture of writing books in the school and spreading it to the entire school system and this time involving the global student community in it.

Beyond this, this time the school community itself has also decided to rebuild the past Yatiwara writing tradition in the country in order to pay tribute to

the founder of our school, Karadana Atthadassi Thero.

The Pirivena student monks have also taken up book writing “***The Herana Gatkarani***” project was introduced.

It is a matter of pride for me as the principal to lead the way in bringing about a qualitative change in the education of schools and Pirivena education through this academic and religious service, and it is also an achievement for the school.

This book, which is the result of recognizing one's innate talent at an early stage in life and turning to writing, will undoubtedly be a help for future education and future life.

A Car

Once upon a time, there was a city called Greenwood. There lived a family. In this family, there were four members. They are Keven Jackson, Kim Jackson and their parents, Mr. David Jackson and Mrs. Sara Jackson. David and Sara were doctors. Keven was studying in grade 10 and Kim was in grade 12. They went to the same school on their bicycles.

One day, when Kim was going alone to his school with his bicycle. Suddenly he felt that someone was following him. He looked back and saw a black car was coming towards him. Kim turned the

bicycle to a street, that car also turned to the same street. Now he surely knew that the car was following him. He rode his bicycle to his school quickly and went inside the school. He saw that the car also stopped near the school.

When he went to home, he saw only Keven was there. He went to his room and took a shower. After his meal, he decided to tell Keven everything. So he went to his brother's room told everything.

When he finished his story, Keven started to laugh. "Why are you laughing now?" Kim asked. "I am laughing, because of your serious behavior. You always take everything serious Kim. That car is probably going somewhere in the same way. But you don't think about it and start to scare like a little baby." Said Keven and chuckled. Kim made a big pout on his face and told "If you

are not scared, then come with me tomorrow. Let's see who the scary baby is" Keven smiled and said "Alright. I'll come with you tomorrow, you scary little baby" Kim pouted again and left from the room.

Next day, Kim and Keven went to school on their bicycles. That car also came. Kim told "That is the car Keven" "We will see" said Keven and rode his bicycle.

After sometimes, they stopped their bicycles near a book shop. They got off from their bicycles and watched the car. The car was still coming. They went inside the shop. While they were searching for some books, Keven saw that car was stopped near the shop. "You are right Kim. That car was surely following us" Keven told his brother. "I told you already. Now see" Kim blamed Keven. "We should know, who is in that car and why was he or she

following us. Keven said while looking at the car. Kim also looked at the car and said “How should I know? Should we go and ask?” Keven looked at his brother and said “Are you mad or something? Let me think for a minute” Keven started to think.

Suddenly Keven said “Listen, I have a plan. First, we have to go to school and wait until the school ends. If the car was still near the gate, we must follow it. If it isn’t, we come home and follow that car tomorrow. Got it?” Kim thought for a minute and agreed. They went out from the book shop and went to school. The car stopped near the school. Kim and Keven saw it. They went inside the school. Keven went to his class and saw his friends had already came. One of them came to Keven and ask “Hey buddy, why are you late today?” Keven smiled and replied “No bro, Kim wanted to

go to book shop” On that time, their class teacher came and started the class.

When lunch time came, Keven wen to his friend Jeff and said “Jeff, can you give me your car tomorrow? I’ll give it to you at Peter’s birthday party tomorrow evening” Jeff didn’t waste any time and gave the car key to Keven. “Here you are. Take care of my car” Keven thanked him and went to his brother.

Finally he founded him and said “Kim bring my bicycle too to home. I have work to do” “But Keven, we have to follow that car. Don’t you remember?” Kim asked. “I don’t think that car will be there Kim. Let’s follow it tomorrow. Just do what I say. Ok?” said Keven. Kim nodded at him. Keven went out from there. As the lunch time had already over.

Following

Kim came home with Keven's bicycle. He was thinking about the car. He parked the bicycles at the garage and went to take shower. After shower, Kim bought some snacks from the kitchen and watched a movie.

Suddenly he heard a sound from outside. He looked outside through the window and saw Keven was in a car and waving his hand to Kim. Kim quickly went outside and saw Keven was parking the car near the garage. Keven got off the car and come to Keven. Kim asked "Whose car is this Keven? Why did you brought it here?" "First let me take

a shower Kim. I'm so tired" Then Keven went inside. Kim also went inside the house.

After Keven came, he started to tell his plan to Kim. "Listen carefully Kim. Tomorrow you have to go to school alone. Then" "Wait, what you are saying? Go to school alone! I can't" said Kim. "Wait until the end Kim. Don't disturb. When you leave from the home, the black car will also coming behind you. Right?" said Keven to Kim. Kim nodded at him. "When the car is coming behind you, I'll follow the black car with Jeff's car. When the black car stops near the school, I will also stop my car near somewhere. When the black car left, I'll come near to the gate and you have to come inside the car. Until I come, don't go anywhere. Got it?" Keven finished telling his plan and Kim agreed.

They spent their time by playing video games. Their parents came home while they were playing. They had their evening tea and talked about their day. At night, they had their dinner and went to sleep.

Next morning, their parents left for their work early, because they got an emergency patient from the hospital. Keven and Kim got up, freshen up, got dressed and ate their breakfast. “Don’t worry Kim. Nothing is going to happen to you. I promise you” Keven said. Kim just nodded at him and went outside. Keven also went outside and get into the car. He waited until Kim left. When Kim left, Keven saw the black car also went behind him. Keven quickly started the car and followed them.

Keven didn’t miss them. When Kim stopped his bicycle near the school and the black car also stopped. Keven too stopped the car

near a shop. After few minutes, the black car was started to move slowly. When the car left, Keven quickly stopped his car in front of the school gate. Kim came to the car and they followed the black car. On their way “Are you okay Kim? You did your part greatly” asked Keven. “I’m okay Keven. Let’s go” replied Kim.

The black car went into a forest. Keven and Kim also went into the forest too. This forest was dark and scary. Kim got a little bit scared. Bu Keven didn’t. He only focused at the black car.

03.

The Bungalow

Finally they arrived to the destination. It was a Bungalow. Keven stopped his car near a tree. But the black car went inside the bungalow gate. Keven and Kim got off the car and looked at the bungalow. It was huge and beautiful. They walked to the bungalow gate. They saw the black car was stopped inside. A man and a woman get off the car and walked onside the bungalow. When they disappeared, Keven quickly climbed up the gate and jumped inside. Then Keven “Come on Kim. Climb up. When you jump inside, I’ll catch you. Don’t worry” said. “Okay Keven. Don’t shout, I’m right in front of you. Otherwise they will herd it and

come outside” Kim said it and started to climb. When he jump inside, Keven got him safely. Then they stepped inside the bungalow.

The main door was half-opened. When they entered from the door and they saw a large living room between the two stairs. No one was there. They silently went to the upstairs like robbers.

They walked along the corridor and they heard someone’s voice. They realized it was came from a room. They went to the room and saw that room door too was half-opened. They looked inside and saw the man and the woman there. The woman said “They are big children now George. My poor kids” then the man said “Don’t worry Martha. They are safe with Sara and David” “Yes, that’s right. But they are my children. You know how much painful when their

children are not with their mother. No George, you don't know" said Martha and started to cry. "I want to talk with them" she sobbed hard and said. "We will dear. Soon, we can talk to them" said George and tried to calm her down.

Keven and Kim were listening to their conversation silently. They got to know that man's and woman's names and they were surprised to hear what Martha said. Keven felt familiar seeing these two somewhere. But he didn't remember where.

After sometimes, Keven and Kim left from the bungalow. On their way, no talking or no sound of anything, only car driving sound. They thought about what they heard before the bungalow. Who are these people? Why are they telling that Keven and Kim were their children? Why they

wanted to talk with them? They had lots of questions in their head now. After sometimes, Kim said “I don’t understand anything Keven. What do we do now? Are we going to tell this all to mom and dad?” “No. they will blame us, because we didn’t go to school. Until I tell you to do what, don’t tell anything to mom and dad” Keven replied and went to his room.

They came home and took a shower. After sometime Keven said “I have to go to a party Kim. I already informed mom and dad. Tell them not to arrange dinner for me” “Can I come with you? I can’t stay alone. If they come here too” Keven asked. “Sorry, you can’t. It’s our section party. So other grade students are not allowed in there. Bye. Don’t worry, mom and will be here soon” Keven answered and left.

Keven went to Peter’s home by Jeff’s car. When he met Jeff, he gave the car key to him. Keven didn’t enjoy the party very much, because he can’t stop thinking about

the incident that happened in the bungalow. After the party, Jeff dropped Keven to his house and left. Keven talked a bit with his parents and went to his room to sleep.

Next day in the morning, Keven and Kim went to school. They saw the black car was followed them. They went to school without thinking about it. At their class, they didn't talk with others. Their friends asked different things from them, but Keven and Kim answered them shortly. They didn't even pay any attention to their lessons too.

After the school was over, they again went to the bungalow. When they arrived near the bungalow gate, they saw George and Martha had come out. Keven and Kim quickly hid behind some bushes. They saw the black car came out and saw George and

Martha were in the car. When they left, Keven and Kim went inside the bungalow.

No one was in the bungalow Kim was looking around and Keven was finding something. He went to the upstairs and walk along the corridor. He found some wall pictures in there. He carefully looked it. He saw George and Martha were in one photo with two boys. He was shocked after seeing boys in the picture, because they were Keven and Kim. He forgot to breathe too. “Kim, Kim, come over here. Quick” shouted Keven. When Kim came, Keven showed that photo to him. Kim was double shocked. His mouth was unknowingly opened too. Keven captured a photo with his phone. They watched some other pictures and left.

They came home, but they didn't talked with each other. “Keven, what happened

us in the past? If we were their children, we should live with them in that bungalow. Why our parents, I mean you know, didn't told this to us?" finally Kim asked, broking the silence. "I don't know Kim. Actually I don't understand anything" Keven replied.

At evening, Sara and David came home. "Hello boys! How was your day today?" asked Sara, while coming inside. "Not bad Mom. How about you guys?" replied Kim. Keven was still lost in his thoughts. "Keven, Keven, son" David called. Keven flinched. "Son are you okay? Where did you lost?" David asked worriedly. "Nothing Dad. I'm fine. Just a little headache" Keven replied, while touching his forehead. "Apply this balm to your forehead and I'll make dinner. Eat it and sleep" Sara said and gave balm to Keven. Keven nod at her. He applied the balm and went to his room.

At the dinner time, David talked about their day at hospital. Keven and Kim were silent and replied to them shortly. When they finished their dinner, “Meet me at my room at midnight” Keven whispered to Kim’s ear and left.

David, Sara, Keven and Kim were watching a movie on TV. When the movie end, David said others to go to sleep. Keven and Kim left to their rooms and David and Sara went to their room.

When Kim went to his room, Keven called to his parents. “Mom, Dad. I want to talk with you guys” David and Sara confused for a minute. “Yes son. What do you want to talk with us?” asked David. Keven took a breath and “Are Kim and I your sons?” asked directly. David and Sara again confused. They stared at each other for a while. Why Keven asked this question

from them. “Are you out of your mind Keven? Of course, you two are our sons and we are your parents. Aren’t we the one who were looked after by you? Why are you asking this question?” Sara said continuously. Keven felt guilty now. “No Mom, I didn’t mean that. I was joking. I actually want to tell you guys that we can’t go to school tomorrow. That’s all” Keven said. David looked at Keven for a while and said “Oh Keven, you shocked us. Don’t ask questions like this again. Did you understand? If you two are okay with your studies, you can stay home. If you want to go somewhere, go and enjoy yourselves. Now go and sleep. Good night” “Good night Keven” Sara also said and went to their room. “Good night Mom and Dad” said Keven and went to his room.

Mystery of the **Bungalow**

At 11 o' clock, Kim woke up. He get off from the bed and silently went to Keven's room. Keven was sleeping. Kim woke him up and Keven woke up and sat on the bed. He turned on the lamp light.

"Listen Kim, we are not going to school tomorrow. We have to go to that bungalow again. I want to know what is exactly happening" said Keven. "But Mom and Dad will be angry, since we didn't go to school today" asked Kim. "Don't worry Kim. I have already told them. Besides they didn't know that we didn't go to school today and

I asked from them” said Keven. “What did you ask? Tell me” again asked Kim. “I asked from them, if we were really their sons” Keven said. “So what did they told?” Kim questioned. “After I asked about it, Mom was very angry and scolded me little. Then I told I was joking. After I said it, they calmed down” replied Keven. They didn’t talk more and went back to sleep.

Next day morning, when Keven and Kim woke up lately. They saw their parents had already left. Keven and Kim ate their breakfast. After sometime, they went to a theater for a movie. After the movies ended, they took a taxi and went to the bungalow.

When they came, Keven did the payment for the payment for the taxi. Suddenly they heard a car sound. They quickly jumped inside the gate and hid. They saw a car

coming inside and Martha and George came out from the car and went inside. Keven and Kim also went inside the bungalow.

They heard Martha and George were talking in the living room. After sometime they left from the bungalow. They went to the carnival in their city and enjoyed their time.

In the evening, they came home. They took shower and went to take a nap, because they were tired. When their parents came, they saw Keven and Kim were sleeping peacefully.

Next day, Keven and Kim went to school, they focused on their classes. When the school ended, they came home and started to do their school homework.

After their homework was over, Kim asked Keven “We showed that pictures to Mom and Dad Keven. We should ask them about it” “Are you mad Kim? Please don’t do any foolish things. If they ask how we found these things, and if they know about that we didn’t go to school, they will get angry. Let’s wait. Don’t do anything. If you do something, it will be dangerous to our lives. We didn’t know our parents are mafias or someone” said Keven. Kim nodded at him.

After sometime, “The teacher in charge of our class said that he would not come to school. I plan to go to that bungalow again and try to find some more information” said Keven and got up to go to his room. “Why should you go alone? I’m also coming with you. Wait until I come back from the school” said Kim. “No Kim, when Mom and Dad came home, they will find us. I’ll go alone” said Keven and he was angry now.

Kim got angry too. “No Keven. You have to stay until I come from the school. That’s final” said Kim. “Ok, fine. I’ll stay” said Keven and went to his room.

But next day, Keven went to the bungalow without Kim. In that day too George and Martha were going somewhere. Kim went inside the bungalow and started to search. He went to the upstairs to check the rooms. He found a book in a room. When he was going to open it, he heard a noise from the downstairs. He quickly kept the book and hid in another room, due to fear.

Martha and George came to the room. They sat on the bed. Martha started to cry and George was trying to calm her down. “Why George, Kim didn’t talk with us?” said Martha while crying. “He didn’t know who we are dear. When we saw him last he was a baby. So he didn’t remember us. Don’t

worry Martha. I think Keven will know us” said George. “Then why are we waiting? Let’s go and talk to him” shouted Martha. “No Martha. It will be dangerous. Just be patient darling. We will talk to him” said George calmly. Then they went to the downstairs.

Keven heard Martha’s shout, but he didn’t heard what she was saying. Keven came out from the room and saw George and Martha were at the downstairs. He heard they were talking. He listened to them carefully. “I’m very scared George. If those people do anything to Keven and Kim, I will die. We should talk to Mr. Jackson and Mrs. Jackson soon” said Martha. “Don’t worry Martha. I always follow them. We can talk to Jacksons later. Everything will be okay, I promise” said George.

Keven was so afraid than before. Suddenly he remembered that he has to go home. He saw a window. He went there and looked out. He saw a big tree near the window. He climbed to a branch and descended down the tree.

After coming down from the tree, he saw Kim was coming towards the bungalow. He immediately went to him. When Kim saw Keven, he scared. When he came back to normal, “What are you doing here Kim?” asked Keven. “I should ask that question from you Keven. What are you doing here? You told me you wouldn’t come to the bungalow until I got home from the school. You lied” Kim shouted. “Don’t shout Kim. They will come out. Let’s go from here. I have something very important to tell you” said Keven and they left from there.

Diaries

After they came home, they saw that their parents haven't come home yet. They got a shower and ate some food. Kim had to do homework from his school. So he went to his room.

In the evening, Kim came to the living room, after finishing his homework. Keven was using his phone. "Keven tell me now. Why did you go to the bungalow without me?" Kim asked. Keven sighed and told everything that he heard in the bungalow. When Keven finished his story. He saw Kim was shivering. "Kim? Is everything ok?" Keven asked worriedly. "Keven, some

people are following us to kill us. Aren't you scared?" Kim asked. "Don't worry Kim. Holidays begin in two weeks. Then Christmas. We can stay in the house. Then we are safe" said Keven. "Ok. While I was coming back from the school, a black car stopped in front of me. George and Martha came out from the car and "Hi Kim, do you remember us?" asked Martha. I was scared to death. I didn't reply them. I quickly rode my bicycle home. I saw you weren't at home. So I came to the bungalow" said Kim. After sometime they went to their rooms. When their parents came home, they ate their dinner and went to sleep.

Next morning, Keven and Kim went to school together. In Kim's class, their class teacher told "Class, you all know there is an annual camp before holidays. So this time we are going to the forest that is near in our city. Grade 12 students are also coming

with us. We are planning to go next Monday. We will send the other details to your phones. We are camping there Monday to Wednesday. Only 7 members in group and only leader can bring a phone. Others can bring cameras” Kim was very happy as he can go to the camp with Keven. While they were going back home, they talked about the camp.

When their parents camp. At night, they went shopping to bring what they need for the camp. They got their dinner at a restaurant. They came home and slept well.

Next day was Saturday, so Keven and Kim were at home. Bu their parents not. “Keven, the camp is in the forest. We can go to that bungalow at night” said Kim. “Yes we can” Keven replied. They talked sometime about the bungalow and decided

to go there to find that book Keven found before.

After they came to the bungalow, they went inside. They saw Martha and George were in the kitchen. Keven and Kim were wearing face masks. Because, if Martha and George see them, they will be in big trouble. Keven and Kim went to the upstairs. Keven found that room and went inside with Kim. They got to know that it was Martha's and George's shared room. They started to search the book. They found it. When they were going to open it, they heard a noise and they quickly hid under the bed with the book. They saw some foots and they realized that it was Martha. She stayed in the room a few minutes and left. Keven and Kim heard a car noise. They thought Martha and George left from the bungalow. Keven and Kim came out and opened the book. That

book seemed like a diary. They started to read it.

2001 December 24

We got our first child and it was a boy. We named him Keven Fanthom. He was very cute. His skin like snow and he has blue eyes like the sea.

After reading that note, Keven and Kim were shocked. Keven saw it's a diary of 2001. He quickly found another diary from a drawer. They started to read it quickly.

2003 October 18

We got our second child too. It was a boy too. We named him Kim Fanthom. He is like his brother Keven.

Kim became shocked after read that. They didn't found anything from there, only those two diaries. They got to know their real names and birthdays. But the problem is, what was happened in the past? They bought two diaries and left from the bungalow.

07.

Ignoring

Finally the camp day has come. Keven and Kim went to the camp. At night, they went to the bungalow. But they didn't find anything.

When the camp was over, holidays begin. They went back home from the camp. They decided to tell everything to their parents (Sara and David)

At night, in the living room. Keven talked first. "Mom, Dad. I'm serious now. We want to know the truth. Are both of you our real parents?" asked Keven. "Yes Dad. Don't lie us. We found everything. About the bungalow, Martha and George. Please tell

us the truth. We should know who we are” said Kim. Sara and David were confused. “What are you guys asking? Martha, George? Who are they?” Sara asked. “Don’t act Mom. We went to that bungalow and found about everything. Tell us” Keven stopped, because David slapped him harshly. “Are you out of your mind Keven? We talked about this before. Now why are you again starting to talk the nonsense? We got to know that you two didn’t go to school. Your class teacher told us. But we thought you two are enjoying or something. But you two went to a bungalow and waste your time.” David scolded. “Calm down David. They will not do it again. Keven and Kim, go to your rooms. Don’t ask anything” said Sara. “But Mom” Kim started again. “No but. Go now” Sara said again.

Keven and Kim went to their rooms. Keven was angry now. His one cheek was totally red from the slap. He washed his face and went to sleep.

Next morning, Sara and David didn't talk with Keven and Kim. They prepared breakfast and went to the hospital. When Keven came to the dining table, he saw his breakfast and saw a paper next to the plate.

Sorry for the slap son.

Please forgive me.

Enjoy your meal

From: Dad

Keven threw it to dustbin and had his breakfast.

Keven knew there is a something that they don't know. He is still angry for the slap. After sometime he went to the park alone.

When Kim came to the dining table, he saw breakfast on the table and saw a paper beside it.

I'm going to the park.

I'll be late to come.

From: Keven

Kim thought Keven is still angry about yesterday. He finished his breakfast and washed the dishes. After that he chatted with his friends.

In Keven's side, Keven met Jeff at the park. Jeff saw Keven wasn't in good mood. "Keven, is everything ok? Your mood is not good today" asked Jeff. "I'm ok Jeff. I was

slapped by my Dad yesterday” Keven replied. “Why? Did you do any wrong” Jeff asked again. “No. throw it away Jeff. What are you doing here anyway?” Keven asked back. “Um... Nothing special. Just came here” Jeff replied. “Can us hangout today?” asked Keven again. “Sure dude. Let’s go” Jeff replied happily. Then Keven and Jeff left from the park.

Keven came home in the evening. Keven and Kim didn’t talk much. When their parents came home, “Kim I already ate my dinner from outside with Jeff. Don’t make dinner for me” Keven said to Kim and Keven went to his room. Sara and David heard what Keven said. They ate dinner with Kim and went to sleep.

Keven ignored his parents few days. Kim tried to calm Keven, but he failed. Sara and David felt bad about Keven. Specially David.

One day Keven came home late, He saw a black car stopped in front of his house. He ignored it and went inside the house. He directly went inside his room. Kim came to Keven's room and brought him to the living room. They saw Martha and George were there sitting with Sara and David. Keven was confused and realized the black car was Martha's and George's car.

Sara said Keven and Kim to sit. They did. Kim had already told them, how they found about this. "Keven and Kim, you two are not our real sons and we are not your real parents. They are your real parents" said David and pointed Martha and George. "So tell us the truth. We want to know who we really are?" said Keven. "It's a long story Keven. Sara and David were right. We are your real parents and you two are our real children" said George. "But how? We have been living here since we are babies" said

Kim. “It’s not true Kim. When you two came to us, Keven was three years old and Kim was one year old. We took care of you like our children. But it’s time to tell you truth. So please listen to Martha and George” said Sara. George started to tell.

08.

The Fanthoms'

"I will tell you from the beginning. My name is George Fanthom. This is my wife, Martha Fanthom. We got married in 2000. We stayed at my bungalow. It is the Fanthom Bungalow, which is in the forest. No one came to disturb us. We lived there happily. On 24th December 2001, we got our first child, which is you Keven. Your real name was Keven Fanthom. On 18th of October 2003, we received our second child, which is Kim. Your real name was Kim Fanthom. We were really happy for you both. But our happiness was with us only few months. One night, a Mafia gang attacked our bungalow. It was my brother Felix

Fanthom. He hated me, since our parents died. Because, when they died, they gave their everything to me. Felix didn't get anything. He went away from us and became a Mafia leader. On the day that he attacked to the bungalow and told me to give the property papers of the bungalow. But I didn't give it to him. He grabbed my neck and threat me again. Keven, Kim and Martha were with me. Suddenly Keven grabbed a knife and cut Felix's fingers. Keven was angry child. He got angry for a small things. Felix shouted with the pain and ordered others to kill Keven. One of them hit Keven with an iron stick to his back side of the head. Keven fainted. Martha tried to save Keven. But Martha too got a hit. Kim was with me. He started to cry. Felix again asked for the papers, but I didn't give it. He fired to the bungalow and left. Before leaving, he told "I will take my

revenge brother. I will come again soon” and left” George stopped his story and drank some water and started again.

“I quickly brought Martha, Keven and Kim outside from the bungalow. I heard a car sound. I shouted for help. The car came and stopped. A couple came out. “Please save our children. I begged you. Please” I begged them. The couple agreed. “We can. But what happens you two? We have to save you guys too” said the boy. “No, we are fine. Just bring them and leave” I said. But hey begged me to come with them. But I didn’t agree with them. Finally they left. That couple was like god’s fairies. That fairies are Mr. David Jackson and Mrs. Sara Jackson. I took Martha to the hospital. Doctor told “She is in a coma” Martha came back from the coma after 13 years. In those years I repaired the bungalow. I gave money to Sara and David, but they rejected

it. They told Keven and Kim are like their children. Keven, Kim. You are so lucky to have foster parents like them. Sorry, I'm wrong. They must be your real parents" George pointed Sara and David. Sara was crying. Keven and Kim felt bad, because they shouted them before. George again started to tell.

"So after 13 years Martha got her memory back. She was asking for you two. I told her everything. She wanted to see you two. So we followed you two, when you two are going to school. The man was Felix. His one hand was covered with a glove and many people were around the house. “Well, you guys are wondering now. How I came here? How I knew everything? Right? That’s very simple. Hi Keven and Kim. I’m your uncle Felix. We have met you before. Don’t you remember? Anyway, Keven remember your friend Jeff?” Felix asked from Keven. Then Jeff came inside the house and hugged Felix. “Hey bro, meet my father Felix Fanthom. The most dangerous Mafia leader in the world” said Jeff. “You betrayed me Jeff. How could you?” Keven shouted while controlling his anger. “Not

Jeff Keven. My name is Han Fanthom” said Jeff smiling at Keven.

Keven’s blood started to boil in anger. He want to punch Han hard. But Kim stopped him. Felix came to George and “don’t waste my time George. Give me my property papers or I will kill everyone in this house” said. George is shuttering because of the fear.

Suddenly, Sara and David got a gun from their pockets and shot. The two men were dead. They were Felix’s men. All of them were shocked. “We are from CBI. We are searching for you these years Felix. Finally we got you” said David, while pointing the gun towards Felix. Felix started to shoot Kim by his gun. But Sara hurried before him and shot. “Don’t move. Of you move, I will kill you” Sara said to Felix. “How you two can beat me with those small guns?” said

Felix and started to laugh. But he stopped his laugh, because of the gun shot sounds from outside. David smiled at him and “You came to our trap like a mouse Felix. We thought you will come here, so we put our police officers everywhere. Drama is over now” said. Felix is like a real trapped mouse now. Suddenly Keven steal the gun from David and shot to Jeff. Jeff’s dead body fell on the floor. Felix was very angry now. He started to shot Keven. But Martha and George came between and they got shots. Keven and Kim screamed. Sara shot to Felix and Felix dead too. The other mafia men are arrested by policemen.

Keven and Kim went towards Martha and George and cried. “Don’t cry son. We are sorry for everything. Sara and David, than you again. You all can leave in the bungalow or here. I have already given ownership of everything of mine to Keven. The lawyer

will meet you soon. Stay safe and we always love you” said George painfully. “Yes son. Live happily” said Martha and both closed their eyes. Everyone started to cry.

After the funeral of Martha’s and a George’s, Keven and Kim decided to move to the bungalow with Sara and David. After few days, the lawyer came and met them. They signed the papers and took the ownership. After that, Keven and Kim changed their names to Fanthoms’ and lived in the Fanthom Bungalow happily.

Afterword

According to my concept, under the project that has been running since 2014 to direct school children to writing, we have been fortunate to have planted more than sixty thousand writer seedlings in the local literary field. The objectives of this project are to improve the quality of education, to promote literature that will contribute to the future development of the country, to hone the abilities of the future generation, and to build a platform to showcase the creations of children.

It is our social responsibility to create the fertile soil for those seeds to sprout and grow. This is the only project in recent history that has been

implemented continuously for several years at the school level, provincial, national and international levels for the sake of the productivity of education. This time, it is special that the *Pirivena* student monks have also been involved in this. The nation should be grateful for the dedication shown by the Principal, daughters, teachers, parents and alumni of *Mahamaya Balika Vidyalaya*.

The printed book is still the main tool of our education. The enjoyment that a child gets from a book cannot be provided by anything else.

It is experimentally proven that the use of various electronic devices to store human knowledge and the distancing of children from books has been detrimental to the quality of education and has created various problems in society. This project, which is being implemented as a solution to this, has been adapting the smart younger generation of the

digital age to modern technology by writing electronic works for the past two years, together with school children in the country.

To take their creations to international readers, Mahamaya girls have built a digital fiction for their own, literary creative abilities.

My congratulations to the young writers who have entered it through their creative abilities.
