Dedication

**Lovingly dedicated
to my beloved Mahamaya Girls' College,
whose teachers have enlightened me with knowledge
and shown me the path to success in life.**

Foreword

In an increasingly complex global future, the "Hemamala Upahara" book project, led by Mahamaya Girls' College, stands as a turning point in girls' education. Over a decade, it has successfully nurtured thousands of children to become young authors.

This year, by collaborating with other schools, we aimed to provide students with a wealth of new experiences. The goal was to develop multi-faceted skills, including communication, values, and creative growth. As a result, children have written books that pay tribute to Princess Hemamala, who brought the Sacred Tooth Relic-the supreme symbol of the Buddhist world-to the Hill Country (Kandy).

I extend my gratitude to everyone involved, including the students who contributed their creativity and the teachers who guided them.

Congratulatory Message

It is a great honor for me, as the Governor of the Central Province, to send a congratulatory message for the launch of the books created through the Hemamala Tribute Book Creation Project initiated by Mahamaya Girls' College, Kandy.

Education is the fundamental foundation for the progress of society, and it is further strengthened through books and literary creations. It is clearly commendable that students' talents, creativity, and intellectual abilities are emerging through projects such as this.

I believe that this book creation project will provide valuable knowledge and a precious literary contribution not only to the students but to the entire society. Furthermore, I hope that through such efforts, future writers who will bring pride to Sri Lanka will emerge.

I extend my heartfelt appreciation and blessings to the Principal, the academic staff, the students, and everyone involved who dedicated themselves to this successful endeavor. I wish this project and the book launch ceremony great success.

Congratulatory Message

I highly appreciate the noble and outstanding effort of the Principal and the academic staff of Mahamaya Girls' College, Kandy, the student daughters, the students of other participating schools, and everyone who dedicated themselves to plan and implement this book publication project. The project was organized under the leadership of Mahamaya Girls' College, Kandy, with the participation of other schools in the Kandy Zone, with the aim of encouraging children toward book creation within the current school system, as a tribute to Hemamala Kumariya who brought the Sacred Tooth Relic to Sri Lanka.

For several decades, Sri Lanka has been committed to providing free, compulsory, quality, and equitable education to all children, thereby producing a future generation of intelligent and skilled citizens. In such a context, this book creation program for school children helps develop creative ability, critical thinking, and other positive qualities for a balanced and well-rounded personality, and contributes to building a future knowledge-based society.

May all activities of the Hemamala Tribute Book Creation Project be successful through the blessings of the Sacred Tooth Relic.

Once upon a time there was a little fairy lived in a little forest. Her name was Sunshine. She is very kind and beautiful.

One day she wanted to see the beauty of outer environment. Suddenly she heard someone's noise. She looked around to find out the reason for the noise.

Then she saw a small rabbit. The rabbit hurt its leg with an arrow. because of the pain, the rabbit was crying. The fairy felt very sad about the rabbit. So, she wanted to help the rabbit.

Sunshine carefully removed the arrow. Then she brought the rabbit in to her house. Sunshine gave medicine to the rabbit.

After few days later the rabbit got well. Sunshine was very happy. Then she asked from the rabbit “Can you stay with me?”. The rabbit answered “Okay, but until my mother came to pick me”.

The rabbit stayed with the fairy. The rabbit enjoyed with Sunshine. They went to pick some blue berries, picnics, play with animals.

But one day the little rabbit's mother came to pick the little rabbit. Sunshine was so sad, because the rabbit was so cute and beautiful. With the time the rabbit becomes one of best friend.

The rabbit asked its mother
“Please mother, can we stay with
Sunshine?”. Mother rabbit answered
“Okay my dear, we can stay with
Sunshine”.

The rabbit and Sunshine were so happy. They went picnics, to bath in the river, to visit environment, pick some blueberries.

Then, the rabbits and Sunshine live together for ever with happy.

Afterword

With the approval of the Ministry of Education, this research-based project has empowered thousands of student authors for over ten years. Educationists recognize it as a program that significantly enhances the quality of school education.

In alignment with modern educational reforms, encouraging students to author a research work is a milestone in this journey. In this digital age of "Smart" technology, the modern school must demonstrate through research that books and technology should be used together. This is because the unique joy a child receives from a book cannot be replaced by anything else.

To prevent children from drifting away from books-which remain our primary educational tool and storehouse of human knowledge-Mahamaya Girls' College has spearheaded the "Hemamala Upahara" project for many years. Its primary objectives are to foster academic discipline, promote values, and pay tribute to Princess Hemamala, who fulfilled a historic mission to empower women.

We express our gratitude to the Principal, teachers, parents, alumni of Mahamaya Girls' College, representatives of other schools, the Diyawadana Nilame, and the staff of the Sri Dalada Maligawa (Temple of the Sacred Tooth Relic) for their support.
