Dedication

Thanks to all my
supporters who
helped me
especially my
father and my
friends to make this
book.

Forward

In an increasingly complex global future, the "Hemamala Upahara" book project, led by Mahamaya Girls' College, stands as a turning point in girls' education. Over a decade, it has successfully nurtured thousands of children to become young authors.

This year by collaborating with other schools, we aimed to provide students with a wealth of new experiences. The goal was to develop multi-faceted skills, including communication, values and creative growth. As a result, children have written books that pay tribute to Princess Hemamala, who brought the Sacred Tooth Relic-the supreme symbol of the Buddhist world-to the Hill Country (Kandy).

I extend my gratitude to everyone involved, including the students who contributed their creativity and the teachers who guided them.

Forward

I am pleased to extend my greetings on this occasion of this e-book project organized by Mahamaya Girls' College kandy collaborating with our school library council.

This initiative reflects the creativity, critical thinking, and enthusiasm of our students. It is encouraging to see young minds engaging in reading, writing and sharing knowledge through modern digital platforms.

My sincere appreciation goes to the librarian, Library Council, teachers and students whose efforts made this publication possible. May this project inspire a continued love for learning and discovery.

A special word of thank you to Mr. Seneviratne Mahalekam for his continuous guidance given to our teachers and students.

Wishing you every success.

Congratulatory Message

It is a great honor for me, as the Governor of the Central Province, to send a congratulatory message for the launch of the books created through the Hemamala Tribute Book Creation Project initiated by Mahamaya Girls' College, Kandy.

Education is the fundamental foundation for the progress of society, and it is further strengthened through books and literary creations. It is clearly commendable that students' talents, creativity, and intellectual abilities are emerging through projects such as this.

I believe that this book creation project will provide valuable knowledge and a precious literary contribution not only to the students but to the entire society. Furthermore, I hope that through such efforts, future writers who will bring pride to Sri Lanka will emerge.

I extend my heartfelt appreciation and blessings to the Principal, the academic staff, the students, and everyone involved who dedicated themselves to this successful endeavor. I wish this project and the book launch ceremony great success.

Congratulatory Message

I highly appreciate the noble and outstanding effort of the Principal and the academic staff of Mahamaya Girls' College, Kandy, the student daughters, the students of other participating schools, and everyone who dedicated themselves to plan and implement this book publication project. The project was organized under the leadership of Mahamaya Girls' College, Kandy, with the participation of other schools in the Kandy Zone, with the aim of encouraging children toward book creation within the current school system, as a tribute to Hemamala Kumariya who brought the Sacred Tooth Relic to Sri Lanka.

For several decades, Sri Lanka has been committed to providing free, compulsory, quality, and equitable education to all children, thereby producing a future generation of intelligent and skilled citizens. In such a context, this book creation program for school children helps develop creative ability, critical thinking, and other positive qualities for a balanced and well-rounded personality, and contributes to building a future knowledge-based society.

May all activities of the Hemamala Tribute Book Creation Project be successful through the blessings of the Sacred Tooth Relic.

Old lifetime

Before he was a super hero. He was just a kid who still goes to school goes to school. His name is ken.

Ken's age is 15. He goes to a school called The Nexus school.

In that school he has two friends. Helio and John

They both are met together
in their classroom. When they
met together they played
together, shared together and
helped each other.

Something shiny

One day when he was walking
home from school.

He saw something shining
behind a bush and when he
opened the bush he saw a
green gem.

And when he touched it.

It went straight to his heart
and at that moment he felt a
voice calling from his head.

Then the voice said "Go north,
go north seek the Mountain of
Darkness and be aware of the
monsters passing by. Take this

sword and kill the leader and
his monsters. Good luck" Then
the sword came to his hands
by falling from air.

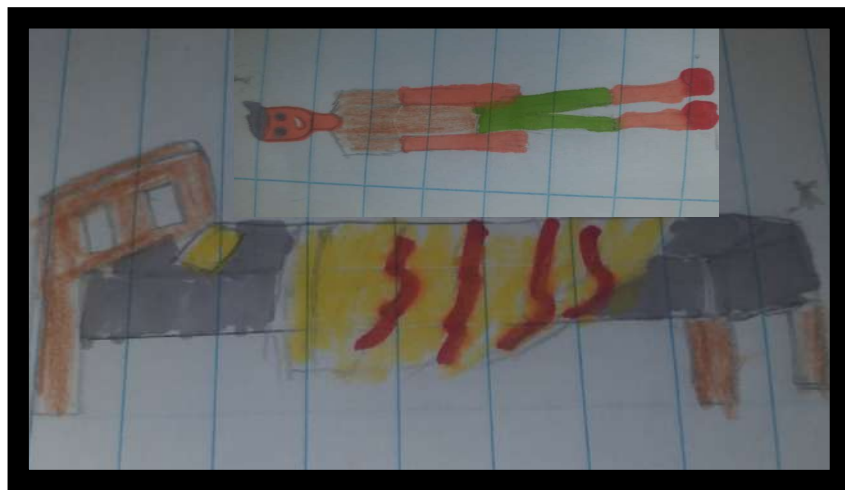

Then after that happen he went home secretly hiding his sword in his bag.

Knows he got powers

When he got home he rushed straight to his room. But he felt something unusual. He came to his room under

2 seconds and when he tried again he was so fast that he was only seeing in blur. He thought to tell his friend about this tomorrow and went to sleep. When he woke up he was floating.

He was shocked and quickly stood up. He was floating because he rolled out of his bed. Now he was really excited to see his friends. He quickly went to the bathroom. But when he tried to unlock the door. The door knob

suddenly broke he was shocked
as it never happen as the door
knob is strong.

Now he knows that he can fly,
run and have strength. So he

thought of a name to him he
didn't have a idea what to put.
So he called himself Mr.Saver!

The Meeting on Friends

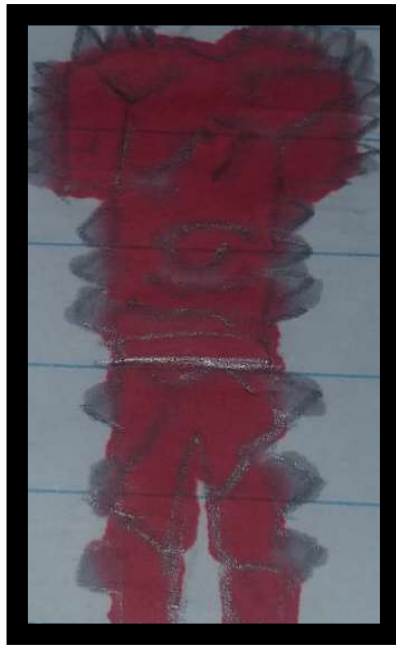

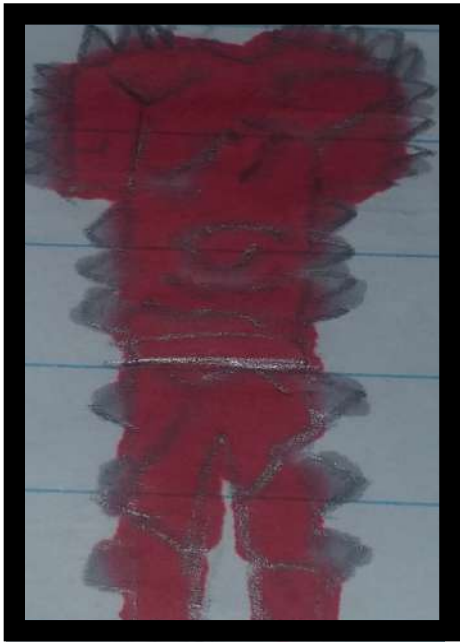

On that day he went to school and told the friends the whole story. Then john said "We will help you to defeat the leader. But first we need to be ready

for your journey" Then ken
said "We will meet at my
house in the afternoon" At
last Helio said "But don't
forget to practice your powers"
Then they went home. As
soon as ken went to home. He
started to practice secretly.

Making the things for the journey

When the afternoon came the friends came his friends came to his house with some materials. Ken said "What are those?" Then John said "These are some materials to make

amour for us" Ken said "That's amazing! Lets go to our basement to make our amour" They went to the basement and started to make the amour. At last they finally made the amour to Ken, John and Helio.

Helio said "These amour are strong and amazing!" Then John said "Yeah,also i have bring some weapons from my father's cupboard"

Then Helio said holding a bag
"And i have bought all the food
we need" Then Ken said "Now
we are ready for the journey its
time for us to go"

Saying goodbye

Then they went to their homes
to say goodbye for their mother

and father. They were confused and asked why and they told the whole story and the parents said "Good luck on your journey, son and please come back soon" Then Ken said "Don't worry we will" Then they went off to north by a compass.

The first Monster

After two weeks they finally met their first monster. It was a rocky monster and had fire in his eyes and mouth.

It can shoot fire balls and
anything he touches catches
fire. When they met it. It said
"Who are you?" Ken said "Im
Mr.Saver and these are my
friends John and Helio" Then
the monster said "Well im Onster
and i'm going to destroy you

HA HA HA HA!!" Then Ken said

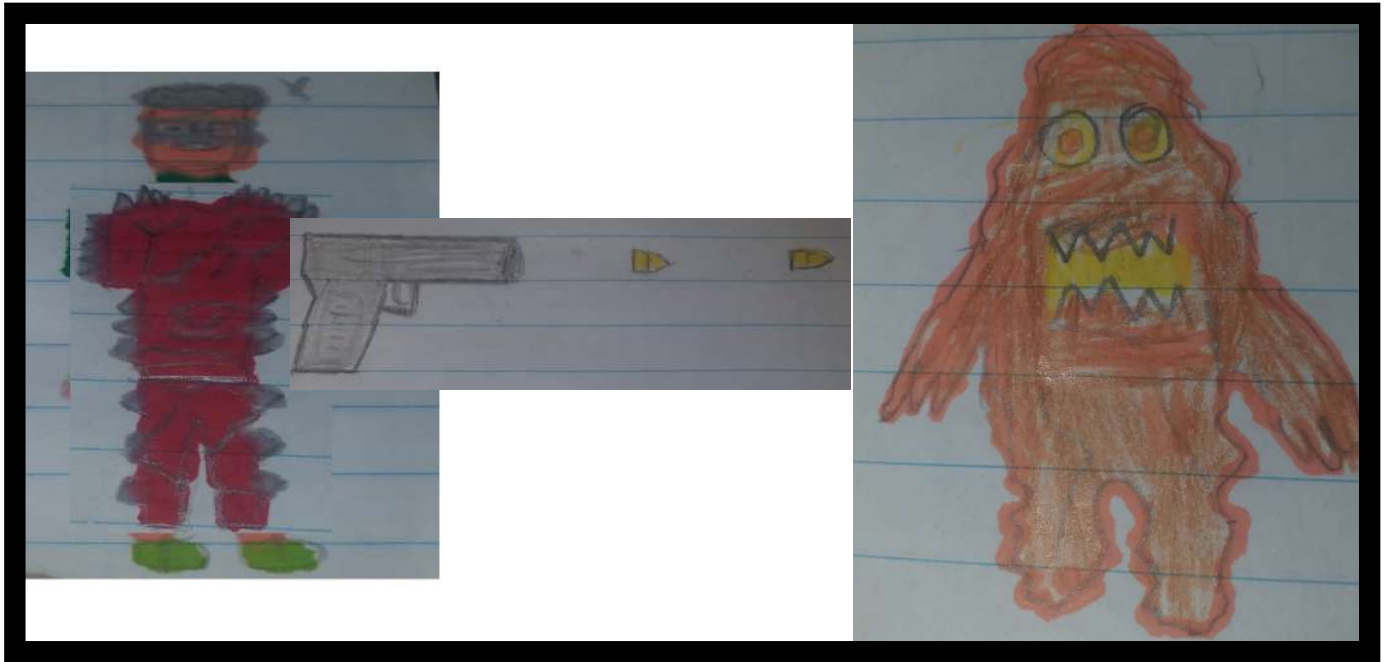

"In your dreams you monster!"

The monster let out a "Grrrrrrrr!"

And shot a fire ball at Ken.

Ken ran and doged the fire ball.

Then John got a gun and shot
the monster.

But the bullets melted because of the heat. Then Ken hit the monster in his head while he was flying. And the monster collapsed but the

monster woke up fast and
shot some fire balls at Ken.

He doged them at time.And
finally he took his sword and
stabbed the middle of the

monster's body. The monster collapsed dead and they had won!

Meeting their destination

Months, weeks passed by beating monsters. They finally met their destination to the Mountain of Darkness.

They hide in a rock to make a
plan.

Ken said "John get a gun and shoot all the guards until to the top,you also help John to shoot the guards.Meanwhile i'll also go to the top by fighting see you guys at the top." The plan started they went up and up. finally they came to the

top and saw a person sitting
on a throne. Ken knew who it
was...

The Boss

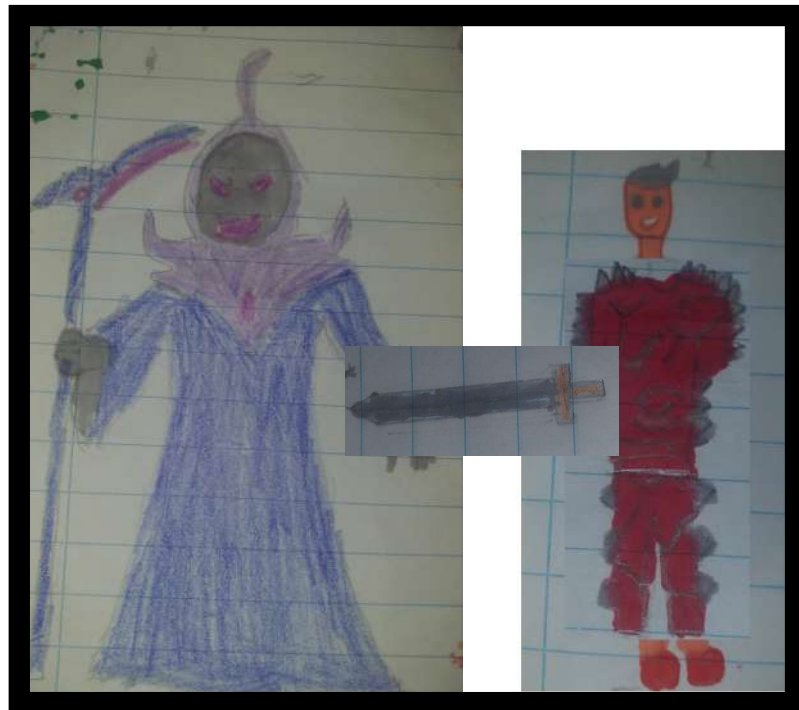

The boss is in a violet cloak
and he has a purple scythe
that shoots magic balls and
he can run fast and be a

shadow. The boss said "Oh so you finally came." Then Ken said "Yes and i've come to destroy you" Then the boss said "Well you came to the wrong person to destroy me. Before that i will destroy HA HA HA HA!!!"

Then Helio took a gun and shot at the boss. But the bullets went through him as a shadow. Then Ken took the sword and try to stab him. But he protect himself with his scythe and Ken was sent back. Then Ken put a

signal to distract the boss. while
they distract the boss. Ken
secretly went behind the boss
and stabbed him in his heart.

Then the boss said "Nooooo!!!"

Then he exploded. When he exploded the mountain has cured and turned to nature.

Going home

After they beat the boss they went home happily. They told the whole story and the parents said "I'm proud of you guys"

And that's how they worked to achieve a hard goal.

They were the best friends
forever....

THE
END

Afterword

With the approval of the Ministry of Education, this research-based project has empowered thousands of student authors for over ten years. Educationists recognize it as a program that significantly enhances the quality of school education.

In alignment with modern educational reforms, encouraging students to author a research work is a milestone in this journey. In this digital age of "Smart" technology, the modern school must demonstrate through research that books and technology should be used together. This is because the unique joy a child receives from a book cannot be replaced by anything else.

To prevent children from drifting away from books-which remain our primary educational tool and storehouse of human knowledge- Mahamaya Girls' college has spearheaded the "Hemamala Upahara" project for many years. Its primary objectives are to foster academic discipline, promote values, and pay tribute to Princess Hemamala, who fulfilled a historic mission to empower women.

We express our gratitude to the Principal, teachers, parents, alumni of Mahamaya Girls' College representatives of other schools, the Diyawadana Nilame, and the staff of the Sri Dalada Maligawa (Temple of the sacred tooth relic) for their support.
