DEDICATION

I am giving thanks to my parents
and the teachers that kept trust in me so I give thanks
from
My heart .

From the author.

Forward

In an increasingly complex global future, the "Hemamala Upahara" book project, led by Mahamaya Girls' College, stands as a turning point in girls' education. Over a decade, it has successfully nurtured thousands of children to become young authors.

This year, by collaborating with other schools, we aimed to provide students with a wealth of new experiences. The goal was to develop multi-faceted skills, including communication, values, and creative growth. As a result, children have written books that pay tribute to Princess Hemamala, who brought the Sacred Tooth Relic—the supreme symbol of the Buddhist world—to the Hill Country (Kandy).

I extend my gratitude to everyone involved, including the students who contributed their

creativity and the teachers who guided them.

Heart crystal

Once a upon a time in a world named **Generial** there were 7 clans. The clans were **Orks, Human, Pirates ,Elves ,Megas, Trolls** and **Darks**. They all get together and make a powerful crystal .

But lord of the clan Dark has a another plan to capture the world.

War to the Crystal

In the first The Dark Lord tries to capture the city of Orc's . Most orcs took the side of dark lords but the most loyal Orc's took the side to fight against the dark lord . The human king got the message that the orc city is in the war so that he called the dragon lord for help saying “dear dragon lord please come to human city there is a brutal war among the dark clan with 6 clans.”

The king said to the general “call to
The other 6 clans” general obeyed the king's order and
went to send the messages to the other clans.

Then suddenly the dragon lord comes to meet with the
human king.

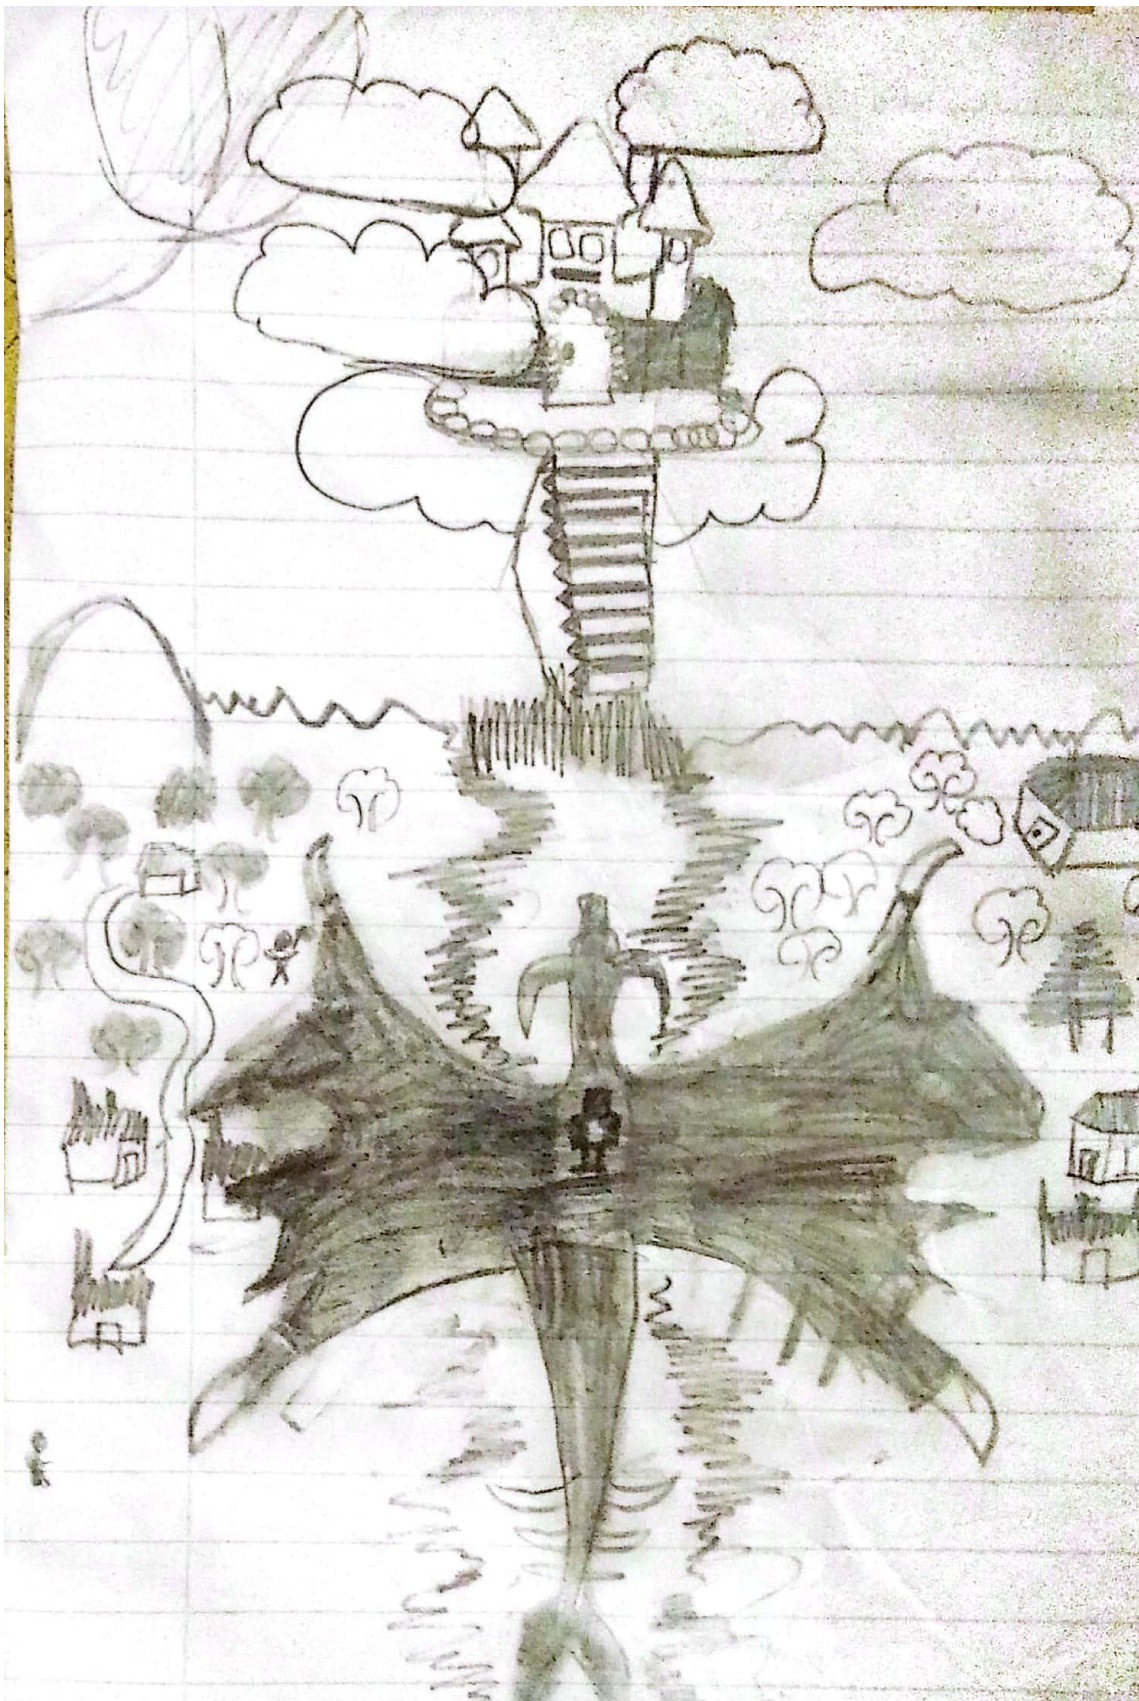

The king shows the crystal, then he shakes his head,
then the dragon lord gets a deep breath and throws fire
towards the crystal in order to shatter the powerful
crystal into 2 parts. After receiving the messages the
other clans leaders came to the human city. They handed
their children to the dragon lord to protect their heirs.

The dragon lord said that he wanted a man to take care of the heirs. So that the king searched around and said "The general will come with you" then the dragon lord started his journey towards the magical world.

The magical world

The dragon lord start his journey to the magical world . The dragon lord started to tell a story to the general *“My name is **Satherier**. I am a king to the dragon world but I am just a teacher to the magical world. Before a long time ago the dark armies led by the dark lord named **NightCrawler** tried to be the emperor of the whole world.* The people of this world were afraid of him .

*So that the kings of other 6 clans
Plan to make peace with the dark lord, so that the
orc's
king speak with the dark lord but he didn't like it very
much but the king
show the damage did by him so that
The dark lord agrees to it ,but he didn't show much
attention so again the dark lords plan to rise again by
capturing the crystal."finally the dragon lord ended his
speech by "The war is coming and we cannot leave it".*

The heirs

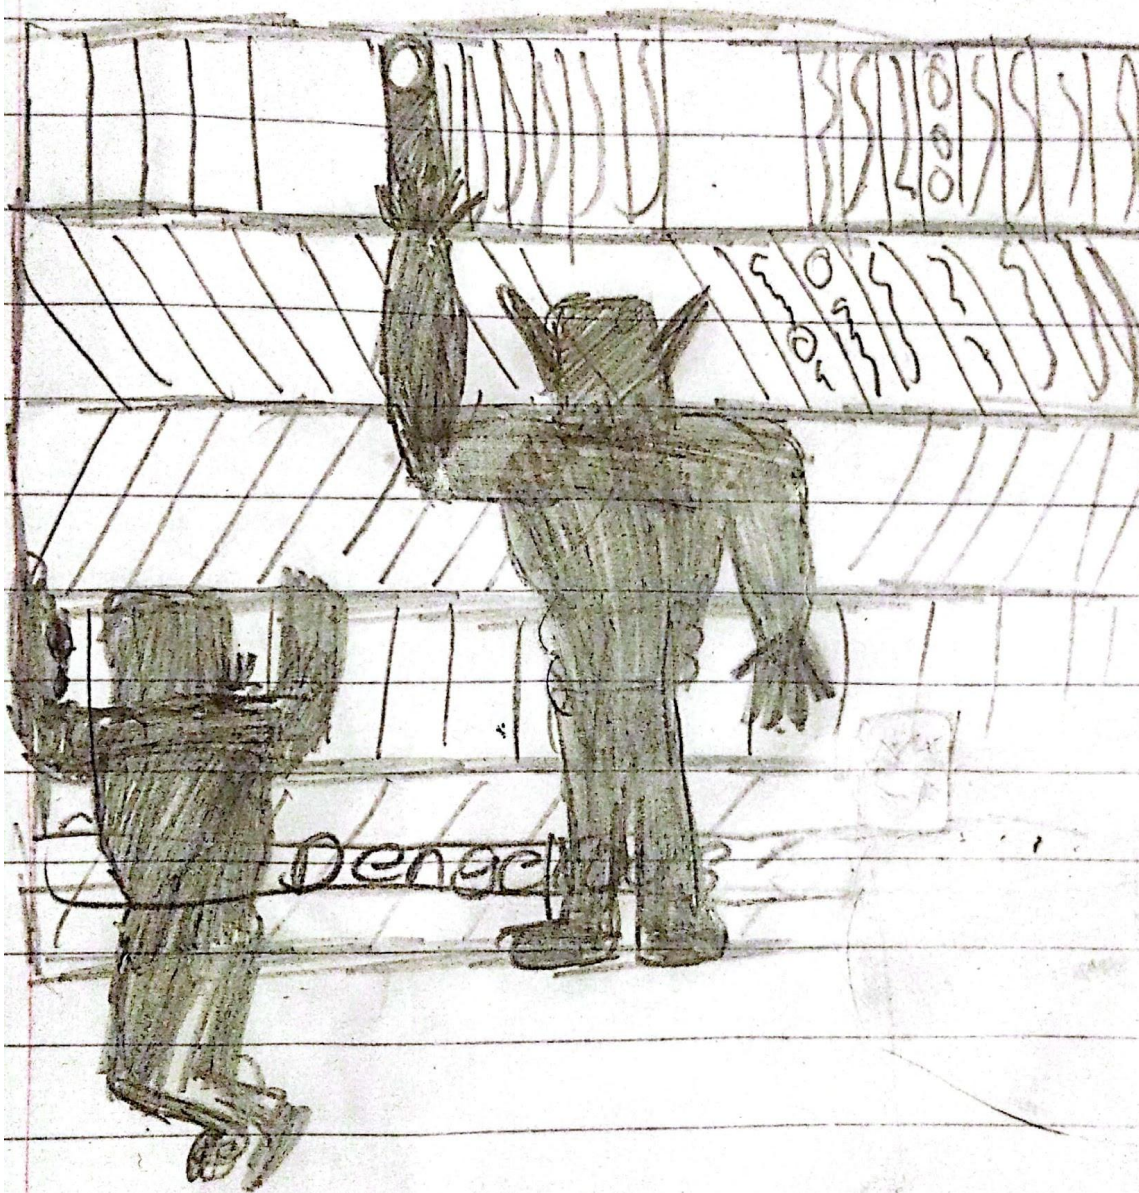

The dragon lord satherier met the king of magic and said *“lord this is the heir to the throne in the human world the dark lord is trying to kill them so we want to protect them”*. The king in reply said that *we want to talk privately*. The dragon lord went to a corner with the king *“Is the crystal destroyed?”* Asked the king of magic, the dragon lord replied *“no sir, the crystal was divided into two parts. The first piece was taken to the **felon**, and the second was taken to the **volcano**.”*

The general named Cendried was the one who took care of the heirs. Years went the heirs become young and travel all above the magical world ,the name of heir of the pirate's clan is sensorial,elf's name is Robin, royals name is Eric ,the trolls name is tritian, megas name kealios sensorial was different amount these heirs.The Sensorial always felt different when touching the water.

The teacher of the heirs is Satherier the dragon lord. Before starting the usual lesson Satherier addresses the student as "today we are going to learn about the lord to the fire of hell named **Volcano**, he's the most powerful Magician in the magical world. The only way to defeat him is emotions" Said dragon lord then the bell rang "So let's end the lesson now you can go," said Satherier .

.

After the lesson ended the heirs went to the library to check about new things. Then Erik found a new book that was never seen in the library so that the heirs took it and started to read it.

F

The argue

The book was about the war that happened between the dark and the 6 clans. Now the darks are searching for the heirs and all the clans are also searching for the heirs to defeat the darkness. After reading this Eric got angry and went towards the Cendrid and accuse him saying “ you lied to us ,you said we were are born in here,you lied to us .so together we are going to meet the king and fight with evil.”

The journey

The heirs went to meet the king of the magical World with Cendrid to talk about the war, after knowing that the heirs have identified their true destiny, the king and Satherier became afraid because they know that the heirs will go and wage war with the dark. When discussing with the king about this matter Erik got angry and shouted to the king saying “you liar”. Knowing that truth cannot be hidden now ,the king took a deep breath and started to tell the truth.

“We can't hide the secret any more ,the dark lord is ruling everything, the future of this world is in your hands ” said the king. After listening to it Eric said “we Will defeat the dark and spread the light all around the earth”.

after listening to it the satherier said
“Me and Cendried will come with you to the safety” and the king agreed to it. After a few hours the heirs, Satherier and Cendried got ready, they went to meet the king and king said to Satherier and Cendried to take care of the heirs, after that the heirs started their Journey to find the crystal in order to prevent the crystal falling into the hands of the **Nightwalker** the dark lord. There went a long distance from the kingdom “I think we want to get a rest” said cendried. “That’s a good idea” said Satherier.

In the next morning the team woke up and started to find the Felon, the lord to the environment and the one who have the first part of the Crystal that was created by the unity of 6 clans.

They passed different places, huge seas, great desserts and mighty mountains. Then they found the forest of Doom, the place where the Felon lived, the deadliest forest that those who went did not come.

The fight

With felon

Eric went first to the forest then others entered the forest following Eric. The heirs were afraid of what they would face inside this forest.

They saw many skeletons and dead bodies . After going around the forest they saw the cave where the Felon lived. When they entered the cave they saw the felon floating in the sky with lot of veins attached to his back ,they were all afraid to it ,then the fearless Eric went and speak to him and said “we

are the lords to the crystal so give it”

Then the felon got angry and he shouted like a hawk.

They all got feared and ran outside but the veins caught the Sensorial and drag him to the felon then the Tritian with his sword,Cut the veins of Felon and again ran out but the cave s door was closed by the felon “the only way is fight with felon”said Eric then the felon came.Then get ready and fight .Even though they attacked the felon with all their might,Felon didn't fell any thing. Suddenly Tritian cut a vein of Felon and Felon became weak then Eric notice that Felon is connected to the environment “cut the veins”said eric

“ What...”said Robin then they all
Target the veins of the felon .After a long battle Felon
became weaker and weaker so that the heirs
attacked him defeated the Felon.

Then Erik told the story to the felon.

Felon said “sorry , I thought that you are the soldiers of the dark lord and you are here,get the crystal and defeat the light”. After a friendly discussion with the Felon ,Felon handed the crystal to the heirs.Satherier took the crystal part and put it in the bag and said “next destination is the “fires of hell”and took a long breath.

Fires of hell

The heirs and others got near the location of “fires of hell “. After arriving, the Satherier said “this is the death forest. There is a cave that leads to the fires of hell ,we want to be careful when we enter the forest” and then they started to go inside the forest “I know this place .This is the home of **living trees**. The legend says that the tree will wake up when there is a attack for the **Fires of hell** and also the fires of hell were used to torture people in the times of great war”.added Satherier.

When they all entered to the cave ,
Suddenly Kealios stopped and looked at the wall of the
cave and he noticed something was hanging in the wall
of the cave.

STOP! A WARNING.
THERE IS NO PATH BRINGING PEACE .ONLY PATH
IS WAR.

After reading this they all got feared. "*we can't fear we*
want to fight"said Eric

After listening to Eric they all entered the land of the volcano they were not feared to what they will face inside this. Suddenly there was a sound "*that is the sound of it. the trees were waking up*" said Kealios

Then they all hear the sound of lava flowing., then they turn around."*It is the volcano, the great magician of Fires of hell.* ,”said Satherier . To be protected they all ran to different places. After seeing people arrive at his place without any permission ,Volcano started to attack them. Suddenly the heard that volcano has started to scream

After his screaming dead skeletons were coming out of lava the skeletons were also coming to attack the heirs.Both parties started to attack others then suddenly the environment lord Felon came, addressing the heirs “*go get the crystal and finish the dark lord.*”

*Then he started the battle with the **volcano**, then the **volcano** and **felon** stabbed together and ended their lives.*

"We got the two parts of the crystal so we can defeat the dark lord death walker" said Satherier. Suddenly a splash of energy knocked the heirs and the crystal. It was the act of Felon who was in his last breath. Due to his attack the crystal was destroyed. Heirs came to their consciousness and suddenly got feared because the crystal is destroyed and there is no other way to defeat the dark lord. Erik addressing the defeated heirs said that *"the thing that made us together was not the crystal, it was our love and brotherhood. We can also defeat the dark by using this power."* After hearing this the defeated heirs got some energy and Planted hope on their hearts that they will defeat the energy by their brotherhood and love.

In the meantime in the Dark kingdom..

The dark lord is absorbing the power from the peoples in the near

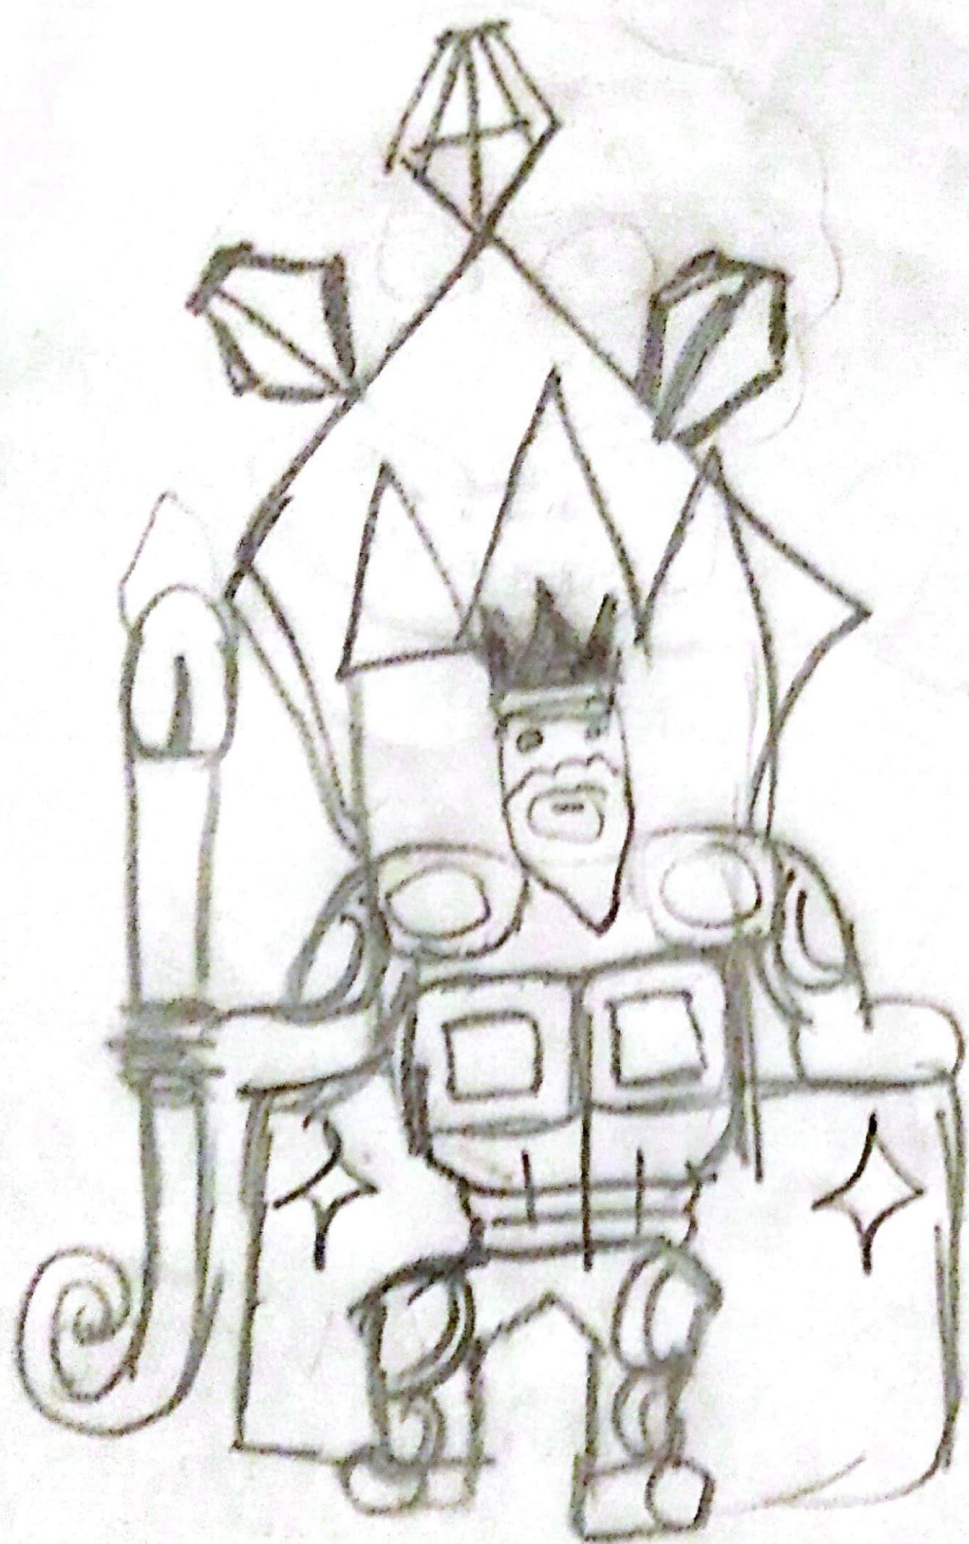

villages. *“uruk... collect the army*

The war is coming” they have collected the crystals

*Polish my armour”*said death lord. *“ok father”* said uruk

In the Magical world....

"Call the kingdoms. Gather your armies. The war is coming and it has to be won" said the king

The heirs landed in the **sea of thief's** . Sensorial felt happy to arrive in his clan's home. He was very eager to meet up with his clan member.. *“From the mist to the seven seas this is the sea of thieves .the home of dangerous and loyal pirates”*.said Sensorial.sounds this is place of pirate's”said Sensorial ,suddenly some arrows came targeting them.Then pirates came and caught the team of heirs. “I am the heir to the throne in the pirate's clan,” said Sensorial .*“show your hand ”* a pirate said.After seeing a anchor in Sensorial’s hand the pirate shouted in joy saying *“This is the mark ,he is our king”* *release our king.”* After this Sensorial was enthroned as king of the pirate clan.

After becoming the king of the pirate clan Sensorial sat on the throne of pirates, after that the Sensorial said to his General that , *"I want to go to the war with the dark"*. General said *"yes now your the king we obey any order of you"* .So that the Sensorial and his pirate army was prepared to go to war with the dark forces. Suddenly a elder came to meet with Sensorial and gave a horn saying *"If there is a problem blow it"*

The war

The dark lord started to collect his army and prepared to attack the magical world .The king of the Megas clan sent a message to the other magical clans .In the meantime the heirs with the army of Pirate's clan are on the way to the kingdom of magic to defend the attack of dark forces.

Dark lord Nightwalker came to the kingdom of magic and said “*I don't want to fight with you , Surrender to me and give me the heirs or die*” . All 6 clans were in the magical kingdom. The king of elves said that “not in my life , we will never surrender for you without a proper fight .After the war began to start.All the forces of dark and the army of the 7 clans began to collide with each other resulting in a brutal battle . After all, the magical army is getting lost from the battle due to the large army of darkness.

Suddenly the heirs came to the warland with the Satherier and general Cendried .They saw that all their clans members were dying. So they acted quickly and reached the war in order to help their allies. But they were helpless too,they were outnumbered by the army of dark forces.Then suddenly a large sound came , because Sensorial blew the horn that was given to him by the elder .

The dark lord felt different when the Sensorial blew the horn ,then suddenly the dark lord said to his son Uruk and his armies to *“take that horn from that boy”* .

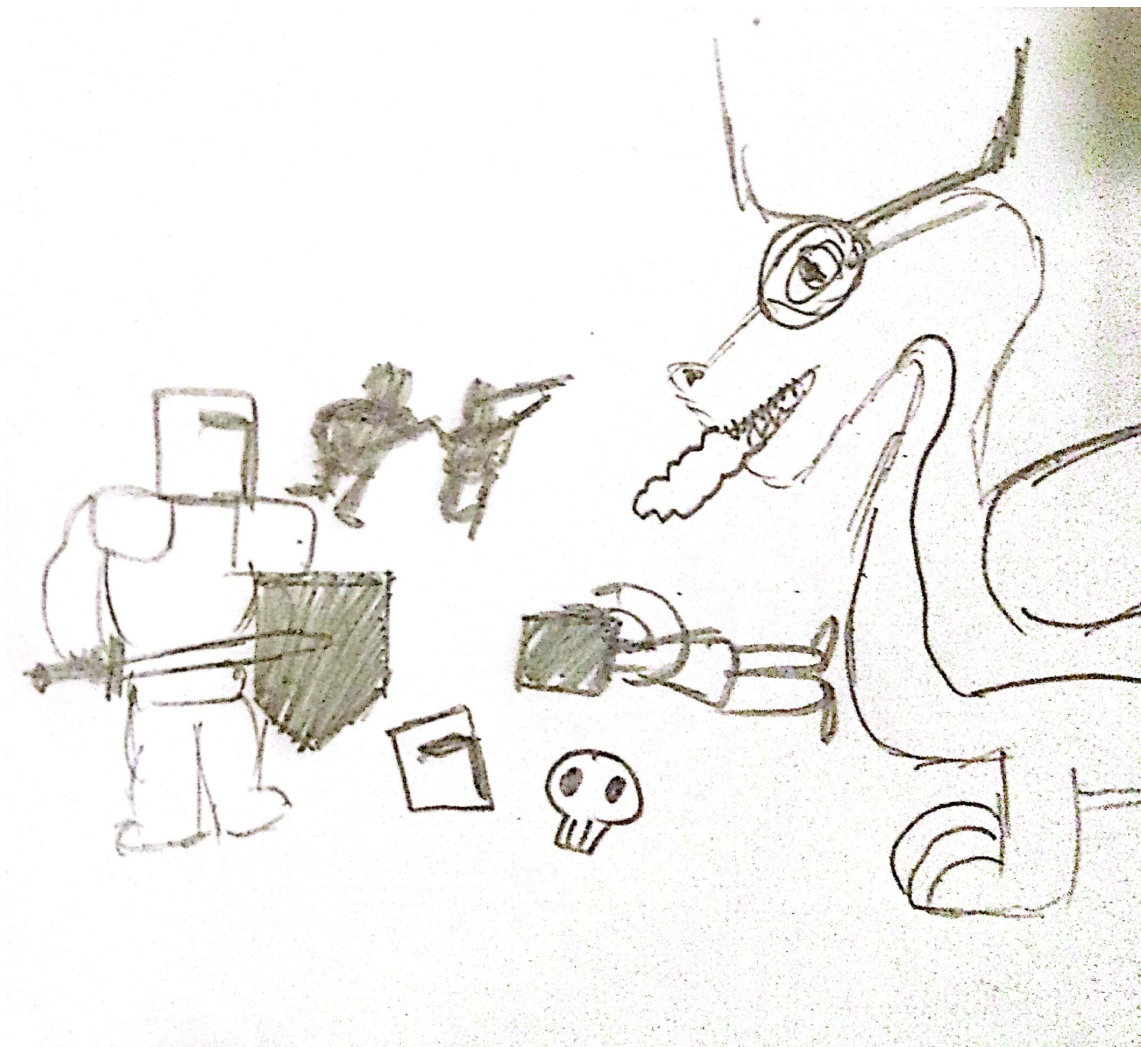

The dark lord suddenly saw that the sea was shaking . He ordered his army to attack the shaking sea . While the attention of the dark lord is towards the shaking sea Erik kills Uruk the son of the dark lord .After the Dark lord seeing this incident he got angered and sent his troops to kill Erik.Suddenly a thundered sound came from the sea. It is the krekan, the monster who lives in the sea, who was summoned by the horn.

There were 4 krekans who emerged from the horn. The dark lord ordered his army to attack the krekans but the army was no match for the 4 krekans. After witnessing his defeat in the war the darklord finally entered the war by slashing a krekan with his spear into half .

After this he also killed 2 more krekans with his spear. Suddenly the war was advantageous for the dark forces.when Eric was desperate for help in this war he heard a war cry far away from the war .when he looked at the under the beams of bright sunlight stood persons in a silver clothing .There were the most powerful wizards of the realm to help the clans army.

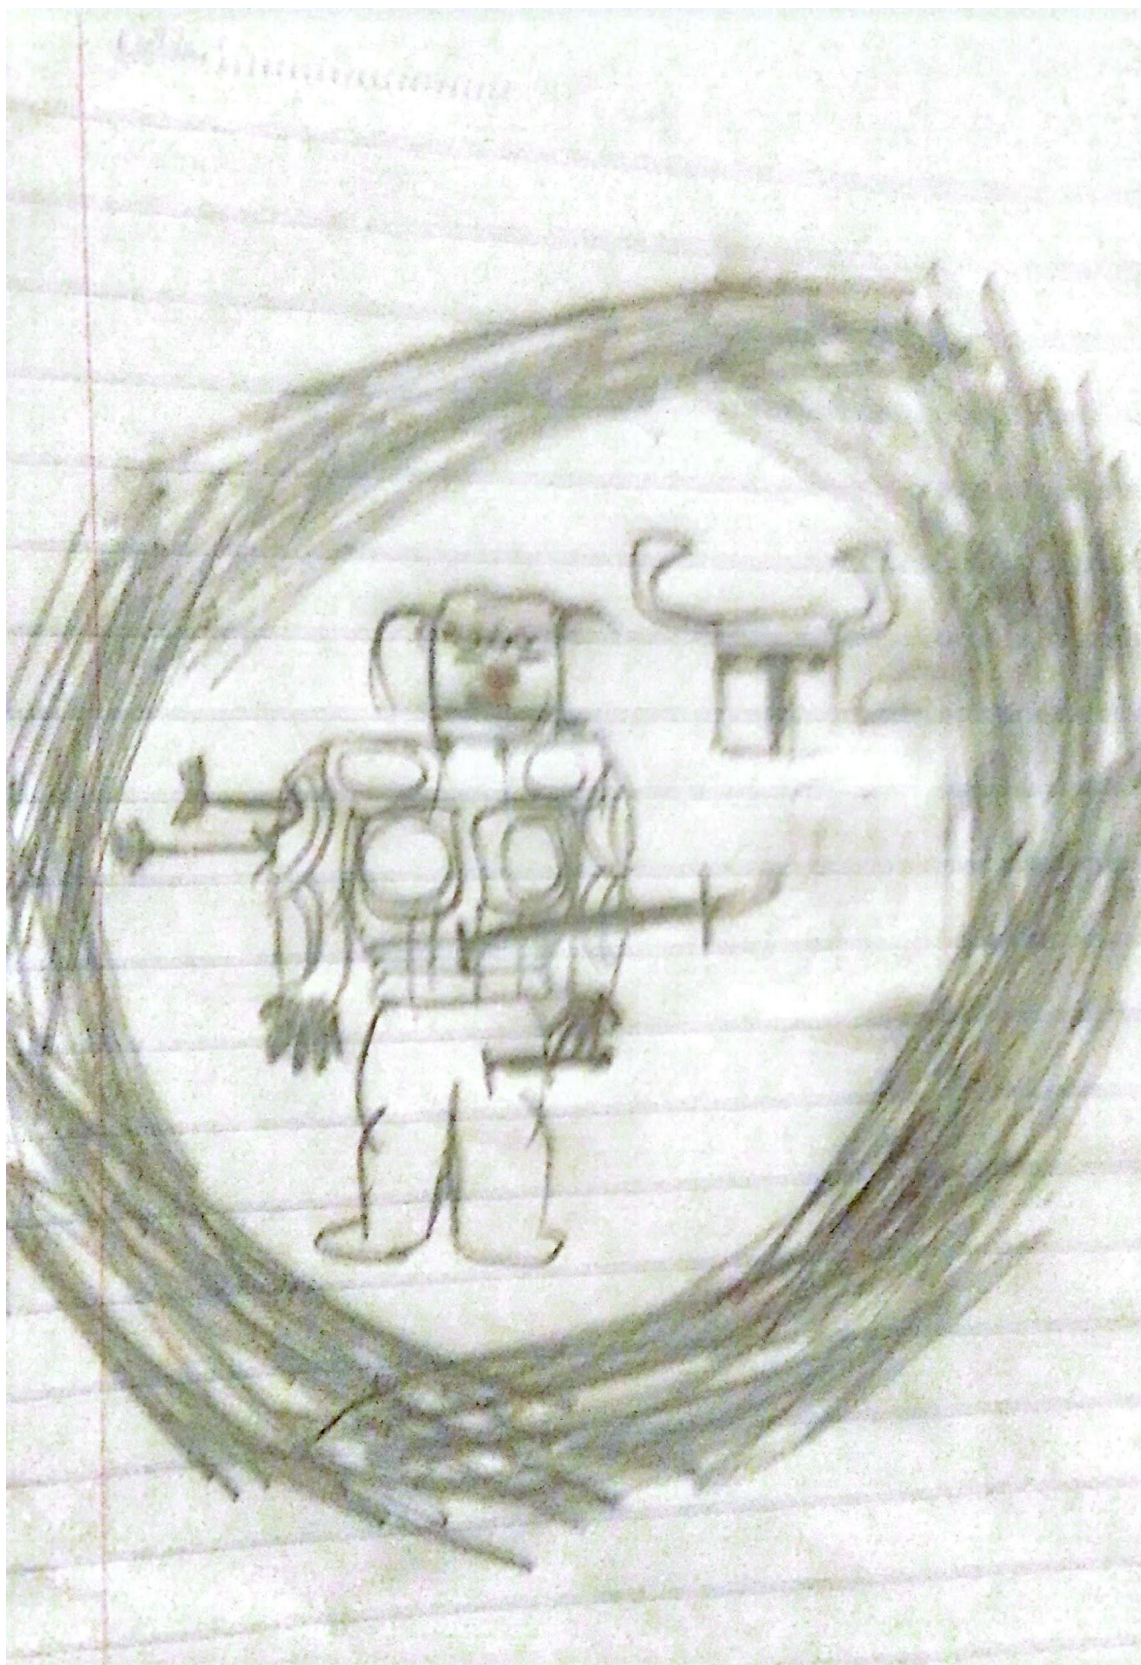

Then Eric saw the face of Satherier, then Satherier told to Eric *"The powerful wizard will never die."*

Then the 7 heirs and the dark lord **Night walker** met face to face in the battle. The sky was thundering with dark in colour due to the spreading of darkness. The heirs know that they can't defeat the **Night Walker** but they face him bravely. When the battle started Nightwalker said to Eric that "Ha ha you know that u can't defeat me" . Then as a reply Eric said that "yes we can't defeat you but the Great wizards can defeat you" Suddenly a group of wizards rounded the Nightwalker and unleashed their power. Due to this unbearable power the Nightwalker gradually began to decay. After sometime the magicians unleash their full power and destroy the Nightwalker. Suddenly the sky became lighted up indicating that the darkness has eradicate.

Coronation

Then all the people were happy and enjoying the victory of the war. Eric couldn't find the Cendried . He saw that the Cendried was lying in the ruins of the war. The Cendried was is badly injured due to attacks of the dark army and the was in his death bed .After seeing the Cendried , Eric took Cendried to his lap shedding tears.After says "long live the kings"and Cendried took his last breath.

On the day of the coronation the heirs were dressed with royal silks as it was the day they will inherit the throne. Then they sat on their thrones after showing their gratitude for the dead body of Cendried. Then the king of magic came with the servant carrying crowns. After arriving he placed a crown on every heir accounting them as kings in their clans. All the people greeted their new kings and queens. After that the kingdom thrived with prosperity due to the to there unity of 7 clans.

The End .

Afterwards

With the approval of the Ministry of Education, this research-based project has empowered thousands of student authors for over ten years. Educationists recognize it as a program that significantly enhances the quality of school education.

In alignment with modern educational reforms, encouraging students to author a research work is a milestone in

this journey. In this digital age of "Smart" technology, the modern school must demonstrate through research that books and technology should be used together. This is because the unique joy a child receives from a book cannot be replaced by anything else.

To prevent children from drifting away from books—which remain our primary educational tool and storehouse of human knowledge—Mahamaya Girls' College has spearheaded the

"Hemamala Upahara" project for many years. Its primary objectives are to foster academic discipline, promote values, and pay tribute to Princess Hemamala, who fulfilled a historic mission to empower women.

We express our gratitude to the Principal, teachers, parents, alumni of Mahamaya Girls' College, representatives of other schools, the Diyawadana Nilame, and the staff of the Sri Dalada

*Maligawa (Temple of the Sacred
Tooth Relic) for their support.*
